

SCHOOL BUILDING ADMINISTRATION

The School Board reaffirms the rights and responsibilities of the building principals for the administration of their various programs and buildings within the broad scope of the adopted Board policies.

Specifically, the principal of the individual school is the responsible head and professional leader in the development of the educational program and the improvement of instruction in the school of which she/he is the principal and interpreting that school to the community. All personnel will work through and under the direction of the principal in the performance of their duties within her/his school.
