Instruction for using Pearson Connexus Demo Access

- 1 When you login as a **Observer** you will be on the **Home Page**. Select a student you want to observe.

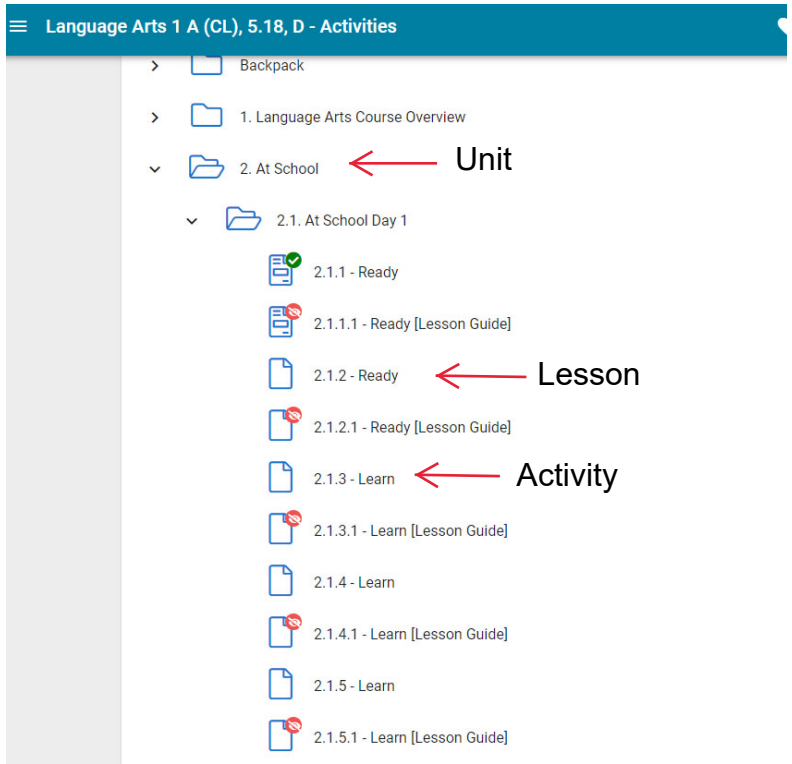

- 2 Select a course to view and click on it.

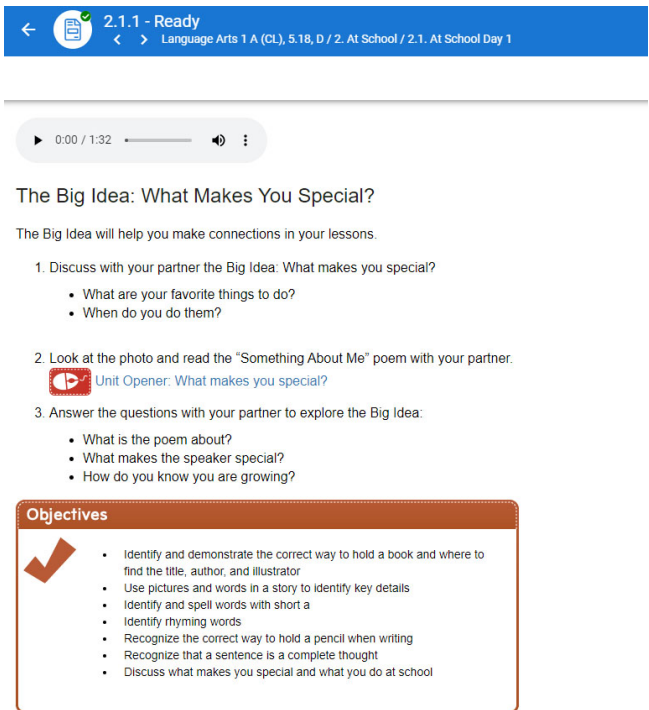

3 Courses in the tree are broken into 3 parts:

- 1) **Unit**- the combination of all lessons and activities
- 2) **Lessons**- A piece of the Unit that contains activities
- 3) **Activities** – The pieces of learning that a student works through

4 You may navigate through the course by clicking on individual lessons/activities.

5 Congratulations! You are now viewing Pearson Connexus content.
