### SPECIAL SCHOOL BOARD MEETING

Monday, May 24, 2021  
6:00 p.m.

#### 1. CALL TO ORDER – SALUTE TO FLAG 2. PUBLIC COMMENT ON NON-AGENDA ITEMS

The board recognizes the value of public comment on educational issues and the importance of involving members of the public in its meetings. The board also recognizes the public's statutory and constitutional rights to participate in governmental operations. In order to permit fair and orderly expression of such comment, the board will permit public participation through oral or written comments prior to a final decision on a matter of significant interest to the public. The chair may control such comment to ensure an orderly progression of the meeting.

Individuals wishing to be heard by the chair shall first be recognized by the chair, and after identifying themselves will proceed to make comments as briefly as the subject permits. The chair may interrupt or terminate an individual's statement when statements are out of order, too lengthy, personally directed, abusive, obscene, or irrelevant. The board as a whole shall have the final decision in determining the appropriateness of all such rulings. It is important for all participants to remember that board meetings are held in public, but are not public meetings. Members of the public shall be recognized and allowed input during the meeting, at the discretion of the chair.

The public comment portion is to allow members of the general public to comment on any public matter under the jurisdiction of the District which is not specifically listed on the agenda, except that no member of the public will be allowed to comment on contested cases, other adjudicative proceedings, or personnel matters. The Board Chairperson may place reasonable time limits on any "public comment" period to maintain and ensure effective and efficient operations of the Board.
