

**Mondovi School Summer Reading and Rewards**  
**5th Grade to 6th Grade**  
**Requirements for Reading Celebration and Reading Log**

### **Why Read?**

Summer is here and with it lots of time for recreational reading. Our summer reading program is designed to help students understand that reading is an enjoyable pastime and that we read for pleasure as well as to acquire information. It is not a secret that reading skills improve with practice so it then becomes even more entertaining. Making time in the day to read is good for the mind and it is a wonderful way to reduce the noise, stress and stimulation often associated with busy lives in our fast paced world. It is well known that reading is essential to providing a solid basis for academic achievement. But most of all, reading is totally fun!

### **Summer Reading Program Requirements:**

#### **1. Students need to set a personal reading goal.**

How many books will you read over the summer? It is different for everyone. Check out the public libraries, bookstores, online bookstores, electronic books (very cool) and don't forget to share book titles with friends.

**2. Students MUST read a MINIMUM of four "good fit" age appropriate books that you have not previously read to be eligible to take part in the MS Summer Reading Celebration that will take place in the fall.** Your personal reading goal may be higher – that's awesome!

#### **3. Students MUST fill out a reading log and turn it in by September 16, 2021.**

Reading logs are to be filled in with the date the book was finished, the title and author of the book, and a parent signature for each book completed. A Reading Log can be found on the back of this page and on the Middle School Web page to upload into your google docs to share. Your completed Reading Log needs to be turned into your 2021-22 school year Language Arts teacher no later than September 16. Don't forget to fill in your first AND last name too!

***Keep in mind, you don't have to read books. It's OKAY to read magazines, comics, and graphic novels! They count as reading too....just read! \****
