

# An Overview of Extremism in New Jersey: Protecting NJ Communities from Domestic Threats

**THURSDAY, JUNE 3, 2021**

6:00 PM - 7:30 PM (Virtual Event - Open to the Public)

Hear about domestic terrorist group activities in the state as well as recruitment and radicalization tactics from New Jersey law enforcement, mental health, and homeland security experts. Learn how to report suspicious activity to local authorities and how to connect with state-level outreach resources to keep your communities safe.

**Questions may be submitted prior to the event.**
