May 24, 2021

Dear Senior Students and Families,

The Class of 2021 Graduation Ceremony is planned for Friday, May 28th at 7 PM at Northwestern Taylor Field. If the weather does not cooperate, the Graduation Ceremony will be moved to Saturday, May 29th at 11:00 AM at Northwestern Taylor Field. The gates will open one hour prior to the ceremony. Seniors must report to the **Athletic Complex** by 5:00 PM on Friday or by 9:00 AM on Saturday to prepare for the ceremony.

Each student will be issued tickets for the outside ceremony. Students were asked to estimate their need for tickets. We will do our best to meet the request of our students and families.

Tickets will be handed out to students at graduation practice. Families will be seated on the home side of the stadium only. The stage will face the home side stands. Lifetouch will take pictures of each graduate as they cross the stage. **Families are asked to socially distance from other families. Vaccinated students and guests are not required to wear face coverings. It is recommended that unvaccinated students and guests wear a face covering.** Face coverings will be provided at the entrance.

If it rains Saturday, the Graduation Ceremony will be moved into the HS gymnasium. If the ceremony is moved inside, each student will be issued 2 tickets.

Graduation practice is Thursday, May 27th from 10AM-2PM. Practice is **MANDATORY** for any student who wants to walk at graduation. **Senior parents are preparing and serving breakfast in the Athletic Complex for the seniors prior to practice at 9:00 AM.**

Our teachers and staff are looking forward to celebrating the success of the Class of 2021.

Sincerely,

Lori A. Swafford
