

WEEKLY WARRIOR

Calamus-Wheatland School District

From the Desk of Mrs. Kelting

The 2020-2021 school year has come to a close and I can say with confidence that many students, staff and parents will not forget this year. Thank you parents for sticking with us and understanding that there were a lot of unknown things for us also. Thank you for being flexible and understanding that we were working under a lot of guidelines that were out of our own control.

Even though the year is ending, we are already starting to look at next year. For the 2021-2022 school year, we are partnering with 1st Day School Supplies. This partnership offers families an easy way to purchase and deliver school supplies directly to school. Supplies will be here at Open House in August. Between now and July 1st families can order school supplies using the link listed below and entering the elementary zip code (52729). Please know that this is not required, just an opportunity we are providing our families. Use this link to purchase school supplies, <https://1stdayschoolsupplies.com/>

Over the summer, please watch for news updates on our website and social media outlets. Enjoy your summer!
