CHILLICOTHE R-II SCHOOL DISTRICT EXTENDS MASK REQUIREMENT THROUGH SUMMER SCHOOL

Due to an increase in cases of COVID-19 in Livingston County the Chillicothe R-II School District will continue to require students and staff to wear appropriate face coverings during summer school (May 26 – June 29). The district continues to consult the Livingston County Health Department on safety procedures and recently the Department of Elementary and Secondary Education has reminded schools that the CDC guidance for mask wearing in school has not changed, and all students and school staff should wear masks.

The district will be implementing the same policies regarding mask wearing during summer school as were required during the regular school year. Students will be required to wear masks, and wear them appropriately, to avoid quarantine orders. Students are encouraged to bring their own masks to school, but the district will have a limited supply for those who have misplaced their masks.

Due to Federal Executive Order and CDC mandates, mask guidelines will also continue for those using school transportation.

The Chillicothe R-II District had hoped to relax mask guidelines for summer school, but the recent increase in cases, and the hope that students will not be quarantined for vacations, summer ball, and the swimming pool, has caused the district to continue the mask requirement.

If you have any questions, please feel free to contact the district office at 660-646-4566.

Stay Healthy Hornets!
