

# Summer Economics Course 2023

## **Course Overview:**

This course is a study of the United States market-oriented economics system. Students will gain an understanding of the principle forces of economics in both microeconomics & macroeconomics. Topics such as behavioral economics, consumerism, personal finance, American business, financial markets, and the economic history of the United States will also be studied. The textbook, Economics: Concepts & Choices, will serve as a guide to enhance the overall scope and sequence of this course.

## **Rationale:**

In an increasingly interdependent world, students need to understand that everyone plays a vital role in the health and stability of any economy. It is imperative the students consider how both micro and macroeconomics operate and the role that they play in it. Economics can be used toward the NJ Financial Literacy graduation requirement

**College bound students are strongly encouraged to take Economics!**

## **Course Requirements:**

4 Required Meetings will take place 9 am - 12 pm on:

**In Person at Hopewell Valley HS** - (zoom is possible with teacher approval if a conflict exists)  
June 20, 26 (Email [rsiris@hvrsd.org](mailto:rsiris@hvrsd.org) with any questions)

**Required Zoom Meetings**  
July 3, 10

**Optional Zoom Meetings**  
June 28  
July 5

Each student is required to attend at least 4 class sessions. Attendance to the first session is required unless permission is granted by June 9, 2023. Failure to adhere to the attendance policy will result in a failing grade for the course. The majority of the course will be independent learning facilitated by several online resources. There are several deadlines that need to be fulfilled.

## **Registration:**

Students may register with Mrs. Molly Lytle ([mollylytle@hvrsd.org](mailto:mollylytle@hvrsd.org)) in the Counseling Services Office by Friday June 2, 2023. The fee of \$280 is due at registration with checks payable to (HVCHS).
