Re: Senior Lunch Privilege/Senior Option Privilege

Seniors who demonstrate good citizenship, responsible behavior, and self control are eligible for Senior Privilege Status. Upon submission of this completed permission form, seniors are eligible to leave school during their study hall and/or lunch period beginning on Monday, September 11. Seniors electing to receive these privileges are reminded of the following:

- The completed permission form must be processed by the Vice Principals' Office before leaving the school building during a senior option period.
- Administration will meet with all seniors during their class meeting as part of the opening days of school to discuss senior privileges.
- Students who choose to remain in school during senior option should report to the Media Center or Cafeteria, or be supervised directly by a staff member.
- Students who have Senior Option during first session must sign in at the Main Office upon arrival in order to have their daily attendance recorded for the day.
- Seniors may forfeit or have their senior privilege status suspended as a result of any of the following:
 - Patterns of tardiness to school or classes
(Students who are tardy six or more times in a marking period may have their senior option revoked and may be placed in a study hall for the remainder of the quarter.)
 - Patterns of absences to school or classes
(Students who have six or more unexcused absences in a marking period may have their senior option revoked and may be placed in a study hall for the remainder of the quarter.)
 - Cutting of classes
 - Truancy
 - Violation of our drug/alcohol abuse policy
 - Chronic and/or serious discipline violations
 - Failure to serve disciplinary sanctions in a timely fashion
 - Driving underclassmen off campus during the school day
 - Issues of punctuality to classes adjacent to senior option periods.
- Whether or not a senior student elects to enact their Senior Privilege, all seniors **must** complete this form.

Attention Seniors: The form below must be completed and returned to Mrs. Crognale in the Vice Principals' Office over the summer, or directly to the building administrators prior to September 11. Your completed form must be submitted before you can leave the school building for senior option / senior lunch privilege. Students who have not submitted a form by September 11 will be placed in a study hall.
