Dear Mr. Morrison's 3rd Grade Students,

On behalf of Mercer Street Friends and the neighbors we serve, please accept our sincerest gratitude for your gift of \$225.00. This support allows us to help ensure that basic needs of the Greater Trenton community are being met.

Over the last year, Mercer Street Friends expanded its partnerships to make sure people were fed, mothers were accessing health resources, and students were receiving the educational and emotional supports they deserve. Looking ahead, your generosity will fuel expansion of our food distribution to provide more fresh produce, delivery of safety equipment like cribs and car seats to new parents, and elimination of barriers to learning for students in the Trenton Schools we support.

Nourishing minds and bodies and empowering families and communities would not be possible without you.

With gratitude,

Bernie

Dear Mr. Morrison's Class,
You are an amazing group of 3rd
Grade students. Your thoughtfulness
will help children and adults that are in need
in our community. I'm sure Mr. Morrison, your
parents and the rest of the staff at Stony
Brook Elementary School are very proud of the
spirit of giving this generous gift represents.
On behalf of everyone at Mercer Street Friends,
we thank you for your support in our important
work. Best wishes to all of you for a healthy,
happy and fun New Year!

Gratefully,

Bernie Flynn
