

“Change for Children” Campaign supporting Autism Awareness
April 17th - April 28th, 2023

Stony Brook students are teaming up for Autism Awareness Month. Grade levels will be competing against each other to see who can raise the most money for Autism Awareness by bringing in loose change.

Stony Brook will have collection buckets available for each grade level team. After the collection period is over, we will have the coins counted and the grade level totals will be revealed. There will be a fabulous prize for the grade level that has the highest total.

The donation period will take place between April 17th - April 28th.

During this time, we have a few fun activities lined up for the students.

On Friday, April 14th, we will kick off the campaign by wearing colored shirts by grade. Team up with your grade level! Non - homeroom staff can choose a color! We will be taking a school wide photo in the morning.
