May 10, 2023

Dear All Star Families,

Upcoming standardized testing for Grades 3,4 & 5

**May 15 Grades 3-5 - Mathematics units 1&2**

**May 16 Grades 3-5 - Mathematics unit 3 and English/ Language Arts unit 1**

**May 17 Grades 3-5 - English/ Language Arts unit 2**

**Grade 5 only - Science unit 1**

**May 18 Grades 3-5 - English/ Language Arts unit 3**

**Grade 5 only - Science unit 2**

**May 19 Grade 5 only - Science units 3&4**

The NJSLA assessments were designed to provide information to districts about how well students are achieving in English Language Arts, Mathematics and Science (5th grade only). The results of these assessments will provide a snapshot of how your child performed on a standardized test on a given day in relation to peers statewide.

**Please know that all testing will take place in the mornings. We are asking for your support to avoid scheduling appointments for their child during this time that would result in absences and testing make-ups. As is the case everyday, it is extremely important for your child to arrive at school on time - (no later than 8:35am).**

**Lots of rest, plenty of water and a healthy breakfast are always recommended.**

Thank you for your assistance!

Sincerely,

Steve Wilfing, Principal
