KINDERGARTEN 1986

On January 6th and 7th thirty-six energetic and enthusiastic young children began their education. They entered a room full of numbers, colors, and shapes. They spent time learning and printing the alphabet, as well as, making new friends.

It seems like time is going by and we're growing up so fast. Each year seems to bring about more new and interesting challenges. Some of us tried our talents in basketball while many others showed talents in band. Classroom work kept us very busy doing math, memorizing spelling words, and learning the fifty states and their capitals.

COMING INTO THE HOME STRETCH . . . IT'S THE

CLASS OF '86

The 1985-86 school year was a busy yet memorable one for the graduating seniors. Senior pictures, ordering announcements and planning for the commencement exercises were a few of those "once-in-a-lifetime" happenings that kept us busy, but never so busy that we couldn't take in a game or have a chat with a friend.

FOOTBALL...

VARSITY DISPLAYS DETERMINATION BUT FALLS SHORT OF SEASON GOALS...

GIRLS FIND SUCCESS DURING SEASON

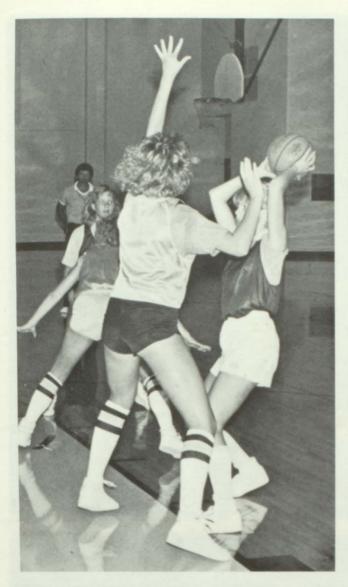

GAME PLANS CHANGE UNDER A NEW COACH!

The girls called their 1985 season a success under a new coach, Mr. Gary Ballard, and a third place finish in the county tourney and a fourth place finish in the district. SO CLOSE, BUT YET SO FAR

BOYS" BASKETBALL

On December 30, 1985 the Trojan team and fans were #1 in the county as they took the county title from the Underwood Comets. The Trojans also traveled to Minot twice to play season games in the dome and in the auditorium.

The boys ended their season with a 14-8 record and a disappointing loss to Underwood in the district tourney.

The Trojan crowd saw plenty of exciting tournament action this season, from a first place finish in the McLean County to a very disappointing semifinal loss in the district.

TROJAN CHEERLEADERS

Spirit is what all the Trojan cheerleaders work hard to promote from the beginning of a sports season to the end of one. The cheerleaders are selected in the spring and order uniforms and start practice during the summer months so they are ready in the fall when school starts.

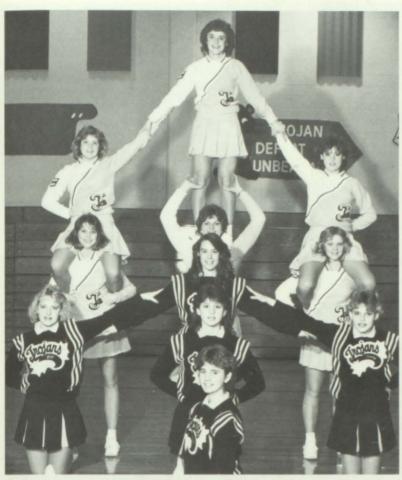

Four groups of cheerleaders are selected starting in the junior high for both basketball and football, and working up to B-squad boys' basketball and Varsity football and boys' basketball. The cheerleading advisor is Mrs. Bobbi Siegel.

TROJANETTES ARE #1 AT WESTERN NORTH DAKOTA COMPETITION

Cheers of excitement filled the gymnasium as tears of joy filled the eyes of the members of the Trojanettes Dance Team as they heard their name being called as the winners of the first Western North Dakota Dance Team Competition. The competition was held in March at the Garrison High School gym. The girls won the competition with the "Power Sports Theme" from the 23rd Olympiad.

STANDING: Mrs. Siegel, Lynette Erickson, Theresa Miller, Cheri Jessen, Corinna Hanson, Shelby Sellon, Peggy Hanson, Tracy Ketterling, and Terri Myers. KNEELING: Dawn O'Shea, Leah Kittler, Jodi Anderson, Jill Tweeten, Tammy Nielsen, Desi Montonye, Tammy Ketterling, and DeeAnn Schilling. MISSING: Lisa Wood.

These girls put many hours of practice in getting ready for performances and competitions. It is not only important to have the routine memorized perfectly, but also to remember to keep those toes pointed, eyes on the audience and a smile on the face at all times.

TROJAN TWILIGHTS

There were many firsts for this group this year. We increased our numbers from eight to ten, we added freshmen as members of the group, and we participated in our first competition. We performed for county tournaments and for the TL-M and Carrington game at the "Dome" in Minot.

We placed third in the Western North Dakota small group competition.

The week's most exciting event was the Valentine's Day Date Auction.

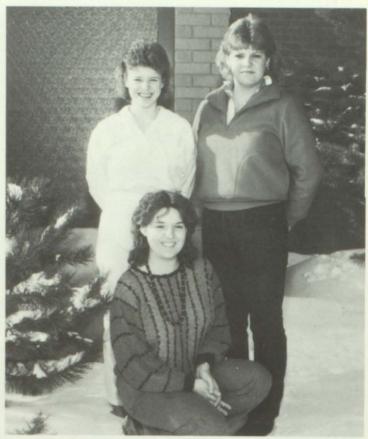

TROJAN

STAFF

The staff of the TROJAN works very hard every year to put together a special book to provide you with lasting memories of your school years. Besides just selling books and advertising the staff has worked to sell sweaters, sweatshirts, and flowers, as well as, sponsoring a spaghetti and taco dinner. The support we receive from our sponsors and student body who purchase the book and purchase the things we sell is all greatly appreciated.

"IN THE AIR TONIGHT"

JR-SR PROM 1986 FRIDAY, APRIL 25

Excitement abounded as Mr. Abrahamson and the junior class prepared for the 1986 Jr.-Sr. Prom. The banquet and prom were held on Friday, April 25th with the music for the prom provided by "Crossfire." Thirty-eight couples attended the event.

Another year goes passing by
Another prom is here
To some things brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
and the climb has just begun.
We're very glad to know you
We'll miss you when you're gone
and to the class of '86
we dedicate our prom.

— The Juniors

Each of us has
different talents,
different dreams,
different destinations.
But we all have
the same power
to make a new tomorrow.

If you yearn to find a town someday Where there's peace of mind and a better way You may go somewhere and suddenly find The same thing there you left behind.

For a town can't react or conceive of its own It can only reflect the people at home. The towering steeple in the town that you love Was erected by people with thoughts from above.

So the arrow that seems to lead away
Will return your dreams to Turtle Lake-Mercer and say:
Your hometown is a mirror, it reflects all you do:
Look at it smiling — it smiles back at you.
