<p>Pursuant to standards adopted by a nonresident school board a nonresident district may reserve the right to accept and reject applicants based on capacity of programs, class, grade level, or school building. Likewise, a nonresident district's standards may provide for the rejection of an applicant based upon the submission of false or misleading information to the above listed request for information when that information directly impacts the legal qualifications of an applicant to transfer pursuant to the School Choice Act. However, a nonresident district's standards shall not include an applicant's previous academic achievement, athletic or other extracurricular ability, handicapping conditions, English proficiency level, or previous disciplinary proceedings, except that an expulsion from another district may be included pursuant to Ark. Code Ann. § 6-18-510. Priority will be given to applicants with siblings or step-siblings attending the district. The nonresident district shall accept credits toward graduation that were awarded by another district and award a diploma to a nonresident applicant if the applicant meets the nonresident district's graduation requirements. This application must be filed in the nonresident district (with a copy to the resident district) or postmarked no later than May 1 of the year in which the applicant would begin the fall semester at the nonresident district. A student whose application for transfer is rejected by the nonresident district may request a hearing before the State Board of Education to reconsider the transfer by filing such a request in writing with the Commissioner of Education no later than ten (10) days after the student or student's parent receives a notice of rejection. (Consult Ark. Code Ann. § 6-18-1905 and the Arkansas Department of Education Rules Governing the Public School Choice Act of 2015 for specific procedures on how to file such an appeal).</p>
