1. Special Governing Board Training Agenda

1.1. BoardDocs LT Training

Martha Crook conducted the BoardDocs LT Training Session. During the session Martha showed the Governing body how to use Guides BoardDocs LT implementation.

With BoardDocs, you not only have the ability to process agenda items and supporting documentation, but can also determine who has access to each document, including members of the governing body, administrative staff, and the general public. Plus, last minute revisions can be made and materials can be redistributed.

Board members can view all meeting agendas, policies and supporting materials online, both past and present. They can search items from past meetings and search public information from other BoardDocs subscriber sites.

For the public viewer, it provides a way for them to look at school current and past meeting agendas as well as supporting documents online. They can also search within meetings.

2. Adjournment

MOTION: Mr. Gonzalez moved to adjourn the meeting at 5:36 pm.

Mrs. Yopez seconded the motion. Motion passed.
