**Hardin - Central C-2 School District Mission Statement**

The Mission of the Hardin-Central C-2 School District is to provide a positive, child-centered environment that will ensure each student the opportunity to achieve his/her full potential. We will recognize each student as an individual, and strive to meet each student's needs. We will provide an educational environment that encourages responsibility within the student. We will teach students to be real-life problems solvers and effective communicators in a world that demands interdependence. Our ultimate goal is to develop within each student the ability to become a contributing member of society.

**Purpose of the School – Parent Compact**

The purpose of the School – Parent Compact is to outline how the parents and school staff will share the responsibility to carry out our mission statement in order to insure the greatest degree of achievement for each individual.

**School Responsibilities**

- The school district will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables Title I students to meet the grade level expectations that are set by the state of Missouri.
- The school district will provide avenues of communication with parents through annual parent-teacher conferences and frequent progress reports to discuss individual achievement.
- The school district will provide reasonable access to staff as well as opportunities for parents to volunteer, observe, and participate in classrooms.
- The school district will conduct an annual evaluation of the program. This will enable parents to participate in the assessment of the current program's strengths and weaknesses which can then be used in restructuring future programs.

**Parent Responsibilities**

- Parents will monitor their child's school attendance.
- Parents will monitor their child's homework completion.
- Parents will read with/to their child.
- Parents can participate and volunteer at school.

- Parents are encouraged to participate, as appropriate, in the decisions relating to their child's education.
- Parents will encourage the positive use of their child's extracurricular time.
- Parents will attend scheduled conferences and parents are also encouraged to initiate conferences if they feel it is necessary.

### **Student Responsibilities**

- The student will attend school every day possible.
- The student will complete work that is assigned.
- The student will follow classroom and school rules.
- The student will respect members of the school community.
- The student will read to him/herself, or out loud to someone, at least 20 minutes 4 days a week outside of school time.
