Comments: We're taking 11 events and 13 athletes to State! This is our largest number of athletes since 2012. It's a testament to the culture that has been built by the athletes in our program over the last decade plus. Not everything went our way during the day, but time and time again our athletes bounced back with some outstanding performances. They expect to step up when it counts the most. It's also a tribute to our assistant coaches: Brandi Miller, Brendan Praeger, and Lyle Strait. They do a great job of preparing our athletes.

This year State Track is a one day event on Saturday, May 29 at Cessna Stadium in Wichita. We think this group has the potential to put up even better marks there and are in the hunt for lots of state medals!
