Medication Pick-Up

All medication needs to be signed out of the Health Room by an adult on Fri, June 18th by Noon or Mon, June 21st by Noon.

ALL MEDS LEFT AFTER NOON ON MONDAY, JUNE 21st WILL BE DISCARDED.

Life-saving medications (inhaler, EpiPens) CANNOT be signed out before school has released for the day June 18th, unless your student is leaving campus for the remainder of the school year. Any questions, please call Tanya in the Health Room at 360-501-1453.

If you know your child will NOT be attending Lexington Elementary next year, please remember to notify the school office as soon as possible. Teachers are in the process of placing students for next year and it's very helpful to have the most accurate information available.

Health Conditions & Medication Forms for the next school year were mailed home the last week of May for those students needing medication at school.

Don't wait to schedule your doctor appointment to update these **REQUIRED** forms. Students will **not** be able to start school without these forms updated.

Allergic to BEES?

Along with the arrival of spring, flowers, and warm weather, comes bees. We soon will be having several students a day coming to the Health Room suffering from bee stings. Please let the nurse know if your child is allergic to bee stings and check to see if we have an up-to-date bee sting kit for your child. The Health Room's phone number is 501-1453.

When the sun comes out so does the summer clothing.

Here are some things to keep in mind.

- ◆ NO sandals without a strap on the heel
- ◆ NO high heeled shoes
- ◆ NO thin straps on shirts. Shirts must have 2 inch wide straps that go over each shoulder.
- ◆ Shirts must cover midriff.
- ◆ Length of shorts and dresses should extend past the child's finger tips when arms are rested at their side.

LOST & FOUND

The size of our Lost & Found pile is overwhelming. Make sure you stop by to check it out in case your child is missing something. All items not claimed by the last day of school will be donated to a local charity.

NOTICE

Next year's teachers for Lexington Elem will NOT be printed on final report cards. You can find out who your child's teacher is in Family Access in early August.

Dearest Bobcat Families,

It is hard to believe it's time to celebrate the end of another fantastic school year with you! Congratulations to ALL of our students for their hard work, commitment, perseverance, and joy they have brought to our classrooms and school. The amount of learning and growth we have seen from everyone makes us proud.

The end of the school year always brings changes within our school system. This spring we say goodbye to our 5th graders and in the fall we'll begin to become acquainted with many new incoming students from across the district along with a new group of kindergarteners. There are a few staff members that are moving on to new positions. We thank them for their service to Beacon Hill and wish them all the best with new endeavors. We are looking forward to the new school year in a new building!

Please let us know ASAP if you have moved or will be moving. We are making our class lists for next year and this information will help us greatly. Skyward Family Access will alert families in August, identifying who their child's teacher will be. We want each of our classrooms to be as equitable as possible and not waiting until next fall to finalize our class rosters assists us in this pursuit.

Please make learning a priority over the summer. Whether it's family vacations or idle time around the house, summer is the perfect opportunity for students to engage in a variety of learning activities that keep them from taking the "Summer Slide" academically. At the very least, please make sure that students are reading throughout the summer.

Enjoy a restful and safe summer.

Hi there,

As a parent, you probably know that keeping your kids from spending all day (and night!) on their devices can be a challenge, and you're not alone. But finding a quick and easy way to manage screen time and filter the web doesn't have to be mission impossible — or cost an arm and a leg.

We've partnered with Bark to offer our families a free Bark Jr subscription (\$60/year value) for life!

Use the URL below to activate your free Bark Jr account:

<https://www.bark.us/bark-jr/signup?ref=BXH2T6S>

What am I getting with a free Bark Jr account?

- Ability to manage screen time on mobile devices
- Set different rules for school time and bedtime
- Filter which websites your kids can visit
- Keep up with kids with location check-ins

What is Bark?

In addition to screen time, Bark can help parents proactively monitor text messages, YouTube, emails, and 30+ different social networks for potential safety concerns, so busy parents can save time and gain peace of mind. Bark currently helps protect over 5.6 million kids in the US.

Thanks,
Kelso School District

SUNSCREEN AT SCHOOL

The sunny weather is coming soon! If you choose to send sunscreen with your student to school, please note these important reminders:

- Sunscreen must be marked with your student's name and should remain in your student's backpack or bag until recess. Our office or classrooms will not be able to store sunscreen for students.
- If you do choose to send sunscreen with your student, the sunscreen must be a lotion or a cream. No aerosol is allowed per Washington State Law.
- For younger students, please practice having them apply sunscreen on their own, as students must be able to apply sunscreen independently.
- Your student will not be allowed to share sunscreen with other students.

Thank you!
