Hello Central School District families,

As we come to the end of the 2020-2021 school year next Friday, May 28, I want to thank all our families for your patience, involvement and support over this past year. As we celebrate our students completing their grade levels, individual student achievements, and our 5th graders moving to middle school and 8th graders promoting to high school, I am reminded of everything we have to be thankful for and how our CSD community worked together to make this school year a success.

Currently, we are planning for five days a week, full day, in person return for next school year. We will continue to follow updated state legislation and safety guidelines as we make these plans at the school sites. If for any reason your student will not be returning for in person learning this August and you would like to consider a Home School option, please click here [CHOICE](#) for information and enrollment for our Central Home School Online Independent Course for Education (CHOICE) program. Current CHOICE families who have pre-registered do not need to complete this form. Space in this program for the 2021-2022 school year will be on a first come, first serve basis.

Please click here [21-22 Student Calendar](#) for the 2021-2022 student calendar for your planning. Additional detailed information about the upcoming year will be sent out in July from your students' school.

We wish you all a wonderful summer break and look forward to seeing all of our students back at school in August.

Sincerely,

Donna L. Libutti

Superintendent
