

Enhanced English 9 (formerly known as PreAP English 9) - Ms. McCloud

Students will read *The Odyssey* and answer critical reading questions about the assigned reading. This assignment is due the first day of the 2021-2022 school year. Once students return, they will also take an AR test about *The Odyssey*.

If a student needs a summer work packet, he/she can pick one up in the Westside High School office. Also, students need to pick up a copy of the *The Odyssey* from Ms. McCloud to complete the summer assignment.
