## **A.R.S. §15-843 (F1-3; G1-2; H; I) Executive Sessions**

- F. In all action concerning the expulsion of a pupil, the governing board of a school district shall:
1. Be notified of the intended action.
  2. Decide, in executive session, whether to hold a hearing or to designate one or more hearing officers to hold a hearing to hear the evidence, prepare a record and bring a recommendation to the board for action and whether the hearing shall be held in executive session
  3. Give written notice, at least five working days prior to the hearing by the governing board or the hearing officer or officers designated by the governing board, to all pupils subject to expulsion and their parents or guardians of the date, time and place of the hearing. If the governing board decides that the hearing is to be held in executive session, the written notice shall include a statement of the right of the parents or legal guardians or an emancipated pupil subject to expulsion to indicate their objection to the governing board's decision to have the hearing held in executive session. Objections shall be made in writing to the governing board.
- G. If a parent, legal guardian or emancipated pupil subject to expulsion disagrees that the hearing should be held in executive session, then it shall be held in an open meeting unless:
1. If only one pupil is subject to expulsion and disagreement exists between that pupil's parents or legal guardians, the governing board, after consultations with the pupil's parents or legal guardians or the emancipated pupil, shall decide in executive session whether the hearing will be in executive session.
  2. If more than one pupil is subject to expulsion and disagreement exists between the parents or guardians of different pupils, then separate hearings shall be held subject to the provisions of this section.
- H. Nothing in this section shall be construed to prevent the pupil who is subject to expulsion or suspension, and the pupil's parents or legal guardians and legal counsel, from attending any executive session pertaining to the proposed disciplinary action, from having access to the minutes and testimony of the executive session or from recording the session at the parent's or legal guardian's expense.
- I. In schools employing a superintendent or a principal, the authority to suspend a pupil from school is vested in the superintendent, principal or other school officials granted this power by the governing board of the school district.
