**Julie Maguire**  
NKHS Field Hockey Head Coach  
2018 ProJo Coach of the Year

*A synthetic playing surface at NKHS will provide students, both in physical education and athletics, a safe, level playing surface. This will put NK on par with the 15 RI high schools which already have field turf.*

**Joe Gilmartin**  
NKHS Football Head Coach  
2018 RIIL Male Coach of the Year

*In the last 30 or so years NK has built a premier athletic department. We field competitive teams year after year and have become a source of community pride. It is time to upgrade the sports facilities so they can also be a source of pride.*

**Paul Tetreault**  
NKHS Boys Track and Field Head Coach

*North Kingstown is a first class Community. Our track and field have been in such poor shape that the RIIL will not assign home meets for boys and girls track and field. Improvements would benefit our whole community.*

**Denise Mancieri, Ed.D.**  
NKHS Principal

*In NK we are fortunate to have a comprehensive high school with rigorous programming and recognized teachers. It would be wonderful to have an athletic complex to match the talent of our athletes and academic achievements of our students.*

**Dick Fossa,**  
NKSD Athletic Director

*North Kingstown is considered one of the top school systems and communities in the State of Rhode Island. It is fitting that NK has an athletic complex worthy of these accolades for the students and citizens of North Kingstown.*

**Phil Auger, Ph.D.**

*We have a once in a generation opportunity with this bond. Restoring our Track and Field Complex to its fullest potential will be a huge win for our students, our athletic programs, and our community pride!*
