HEAD INJURY NOTIFICATION

DATE: _____

TIME: _____

Your child, _____ received a head injury on the _____
_____. Your child is currently without symptoms. You may expect
to see the following:

1. Raised bump or abrasion.
2. Complaints of dizziness or mild headache.

This handout is intended for notification and educational purposes in the event a significant head injury may occur in the future outside of the school setting (i.e., at home, playground).

Seek medical attention if the symptoms persist:

1. Progressive or severe headache.
2. Persistent vomiting.
3. Seizure.
4. Alteration in consciousness (drowsy, loss of memory, changes in behavior).
5. Numbness or weakness of an arm or leg.
