Dear QCT families,

Wow, we made it! We are in the homestretch of what has been a very unusual and unprecedented year. As I reflect on this school year, I am just so impressed with the perseverance, flexibility, adaptability, and compassion that all of our community exhibited. Virtual and hybrid learning were new to all of us, and so many of our students, families, and staff rose to the occasion. There is a lot to celebrate around the incredible partnerships that developed this year to best support our students and I want to thank each and every one of you for your part in that. We are truly better together!

As we wrap up the year and continue our planning into next year, we plan to end strong. Our staff are committed to continuing to love, support, and provide rich teaching opportunities to your students through the end of the school year. You can help us from home by keeping your healthy routines in place. Things like getting a good night's sleep, waking up early enough to get to school in a timely manner, and eating healthy meals whenever possible are all going to help your child end the school year well. Thank you for your continued support!

Lastly, as we head into the end of the school year, do stay in tune with announcements sent to families through email, posted on the school Facebook page, and send home in hardcopy with your child. We have LOTS coming up-- Kindergarten Graduation, 5th Grade Potlatch, Chromebook returns, high school grad walks, etc.

Congratulations on an exceptional 2020-2021 school year! You did it!

Sincerely,
Sarah-Marie Boerner, Principal
