The Board on its own behalf and on behalf of the public, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including but without limiting the generality of the foregoing, the right:

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan, and the Constitution and laws of the United States.

Except as expressly provided otherwise by the terms of this Agreement, the determination and administration of educational policy, the operation of the schools and the direction of the professional staff are vested exclusively in the Board or in the Superintendent when so delegated by the Board.

ARTICLE 4 PROFESSIONAL DUTIES

- 4.1 Contract Period. The contract period shall be as provided in the School Calendar for the contract year. The term of the School Calendar may be extended by the Board in order to comply with membership day standards established by State law or regulations.
- 4.2 Professional Duties. Although the parties recognize that the commitment of an employee cannot be measured merely by time, the compensation set forth on Schedule "A" for regular professional duties is based on a normal work day consisting of 7 hours and 25 minutes of pupil contact time, employee preparation time, and 30-minute duty free lunch as scheduled by the employer. It is understood and agreed that the length of the building's normal instructional day as reported to the state shall not be extended during the term of this agreement.

Employee's daily hours shall consist of pupil contact time and employee preparation time. Pupil contact time shall be defined as the time the employee shall be required to instruct and/or supervise students. Employee preparation time shall include time for lesson planning, curriculum study, curriculum council, a reasonable number and duration of employee meetings, parent conferences, student conferences, and administrator conferences.

The professional expectation of each employee is to ensure that their classroom is ready for students to learn at the beginning of the school year and ready for summer cleaning by the time the teacher checks out at the end of the school year, unless the condition of the facility does not allow the employee to do so.

4.21 Elementary Classroom Employees.

- A. An employee regularly assigned as an elementary classroom employee (Grades K-5) shall be entitled to receive:
1. A lunch period of thirty (30) minutes, which period shall be duty free except as an employee may be required to supervise pupils as they pass to lunch and to be available to receive students upon the termination of the thirty (30) minute lunch period. Employees shall not be assigned to lunchroom supervision except in cases of emergency. Employees who are assigned during their duty-free lunch shall be compensated with release time.
 2. A planning period when responsibility for a class has been assumed by another certified employee for special instruction such as physical education, music, art, or library/technology, except as such other employee or a substitute employee may be reasonably unavailable. In addition, employees may elect in their discretion to provide one or more additional planning periods by means of rotating recess duty among themselves. This shall not exceed twenty (20) minutes per day.
 3. Preparation time for all regular, specialists, special education employees in grades K-5 shall be two hundred seventy-five minutes (275). The schedule shall include a minimum of forty-five (45) minutes, five (5) days a week. All planning periods shall be scheduled during the student day.

- B. The Board agrees to assign at least one (1) employee's aide to each elementary building, for the purpose of providing assistance to employees in that building. Any such aide(s) shall be under the direction of the building principal.

4.22 Secondary Classroom Employees. An employee regularly assigned as a Secondary Classroom Employee (Grades 6-12) shall be entitled to receive:

4.3 Reporting of Employees. If school shall be closed because of adverse weather on isolated days, employees shall not be required to report; however, when school is closed for three (3) or more successive days, employees may be required to report at the discretion of the Superintendent beginning on the third day unless such days are required to be made up in which case employees shall not be required to report.

4.4 Notification of Assignments. The tentative teaching assignment of an employee for the first trimester shall be made prior to the end of the third trimester unless the employee has notified the school district that they intend to resign or retire at the end of the current school year. An employee who will be affected by a change in grade or subject shall be consulted as soon as possible and prior to sixty (60) days before the opening of the ensuing school year, if possible.

4.5 Vacancies. A vacancy shall be defined as a position that will be filled occurring because of a newly created opening, a retirement or a resignation and after all employees, including those returning from leaves, have an assignment.

4.6 Shared Position. Two (2) employees may agree to share one (1) full-time position with the approval of the Superintendent or his/her designee.

4.7 Subbing During Preparation Period. Elementary, MS, and HS Teachers shall be compensated for subbing for another teacher as follows: MS and HS - \$25/period; Elementary - \$6.25/fifteen minute increment. Administration will make every effort to secure volunteers for subbing and rotate subbing among available staff.

4.8 Specials Doubling Up. In the absence of a sub for an elementary Specials teacher, the remaining Specials teachers may need to take the extra students into their classroom. If the Specials teacher takes the whole class for the whole day, they would be paid the substitute teacher rate of pay in addition to their normal rate of pay for the day. If they split the class between the remaining specials teachers, they would each get half day substitute rate of pay. If a specials teacher take a whole class for half day, they would be paid half day substitute rate of pay.

4.9 Elementary Classroom Teachers Doubling Up. If a substitute teacher is not available for an elementary classroom teacher and another teacher is required to take on the whole class of students for the day, that

teacher will be paid sub rate pay for that day or half day sub rate pay for the half day. If elementary teachers split the class of students, they will be paid half of the full sub pay for a full day or half of the sub pay for a half day.

ARTICLE 5 CLASS SIZE

The parties agree in principle that the student/teacher ratio is a factor that can influence the education result. However, there also appears to be an implicit recognition that a variety of other elements are part of the students' education, including, but not limited to, the training and experience of the classroom teacher, the physical plant, the characteristics of the students, the curriculum and societal forces. The Board agrees to assure that class size is appropriate to the room assigned and the equipment and materials available, and will continue to make every effort to balance class sizes in Grades 1 through 5.

Considering the above, the Board shall maintain class sizes at the following levels:

ELEMENTARY

Kindergarten Readiness	20 students per teacher
Kindergarten, 1 st Grade	25 students per teacher
2 nd Grade, 3 rd Grade	26 students per teacher
4 th Grade, 5 th Grade	28 students per teacher
3 rd , 4 th , and 5 th Grade Multi-age classrooms	28 students per teacher

MIDDLE SCHOOL (6-8)

The Board shall maintain no more than 30 students per teacher per class period, except in the areas of band, vocal music, and physical education.

HIGH SCHOOL (9-12)

The Board shall maintain no more than 30 students per teacher per class period, except in the areas of band, vocal music, and physical education.

IMPLEMENTATION

These maximum class sizes may be exceeded with the following provision:

If classes are over the stated maximums above after a ten (10) day adjustment period, starting with the 1st day of instruction of the overage, an elementary teacher with a class overage will be compensated at the rate of \$12 per day per student for each day enrollment is over the maximum, K-5 specials teacher with a class overage will be compensated at the rate of \$3 per period per student for each day the teacher has an enrollment over the maximum listed above, and a secondary teacher having a class size overage will be compensated at the rate of \$3.00 per student for each day that the individual class enrollment of all classes (excluding RTI) taught exceeds the maximums listed above.

On a district provided form, teachers shall submit to the building principal, the dates on which class size exceeded the levels listed above (no overage pay for Act of God days or absences longer than five consecutive days). Payment for a class overage shall be made at the end of the semester or trimester.

ARTICLE 6
STUDENT DISCIPLINE

- 6.1 A. Bargaining unit members shall have a method of reporting incidents and conditions that endanger their health, safety, or well-being. Board Policy regarding employee rights and the district responsibilities can be found at 3362.01 and 5600. All district building behavior management and procedures must incorporate the Plainwell Community Schools Student Code of Conduct. The Student Code of Conduct then becomes the guideline for each building to clearly define their own behavior policy in their respective building handbooks. The behavior policies and the effectiveness of their implementation will be reviewed annually by each building committee consisting of faculty and administration.
- B. An employee who is subjected to physical assault or severe verbal abuse by a student will be relieved of responsibility for that student until completion of a formal conference that may involve the student, the student's parent(s) or guardian(s), the employee and building administrator. If a student has been suspended for a violation of the Plainwell Community Schools Student Code of Conduct, that student's teacher(s) will be informed of the student's violation and the consequences before the student is returned to the classroom, provided such disclosure would not violate the student's legal rights to privacy.

ARTICLE 7 CONTRACT RESOLUTION

- 7.1 It is the intention of the parties to provide a peaceful and orderly procedure to resolve any disagreement concerning the interpretation of this Agreement that has not been resolved through the use of normal administrative procedures. Any employee or the Association believing the Agreement has been violated or misapplied may file a grievance in accordance with the procedure herein set forth except where the Tenure Act applies. Grievances that effect employees at more than one building shall begin the process at Level Three. Except that the superintendent, after viewing such a grievance, may elect to move the grievance to Level Two.
- 7.2 Review Levels.
- 7.21 Level One: Informal. Prior to filing a written grievance, the grievant shall meet with the Supervisor against whom such grievance is to be asserted for the purpose of attempting to adjust such alleged grievance without further proceedings. The request for the meeting must be made within ten (10) days from the time of the event or the time the grievant reasonably should have known of the event.
- 7.22 Level Two: Principal. If the grievance is not satisfactorily resolved at the informal conference, the grievant shall have ten (10) days within which to file a written grievance with the Building Principal, using the approved Grievance Form found in Appendix 1. The principal shall file a reply, which shall be filed within ten (10) days from the receipt of the written grievance.
- 7.23 Level Three: Superintendent. The purpose of the formal conference shall be to seek a positive and constructive disposition of the grievance and to avoid the necessity for further proceedings. Any mutual agreement as to the disposition of the grievance shall be in writing. If the parties are unable to reach agreement, the Superintendent shall reply within twenty (20) days after the completion of the formal conference.
- 7.24 Level Four: Board of Education. If the grievance is not satisfactorily resolved at Level 3, the grievance may be submitted by the Association to the Board of Education for hearing. The request to submit the grievance to the Board of Education shall be made by the Association within twenty (20) days from the receipt of the Level 3 reply. The Board shall schedule a hearing within thirty (30) days after receipt of the request of the Association. The Superintendent and/or designee, as well as an Association Representative, may present relevant information or answer any questions from the Board of Education. The Board shall issue a decision on the grievance in writing within thirty (30) days of the hearing. This step may be waived upon mutual agreement of the parties.

7.25 Level Five: Arbitration. If the grievance is not satisfactorily resolved at Level Three or Four, the grievance may be submitted to arbitration by the Association in accordance with the following provisions:

- A. The request for arbitration shall be made within thirty (30) days from the receipt of the formal conference reply or from the termination of the mediation conference, whichever shall first occur.
- B. The arbitrator shall be selected and the hearing conducted in accordance with the rules and regulations of the American Arbitration Association provided, however, that:
 - 1. The arbitrator shall not have the authority to vary the terms of the Agreement or to determine that any provision is unconstitutional or contrary to any federal or state law, it being expressly agreed that any such determination shall be made by a court of law.
 - 2. The arbitrator shall render his/her written decision within thirty (30) days from the conclusion of the hearing.

- A. Prohibited subjects of bargaining listed in the Public Employee Relations Act.
- B. Any grievance in which proceedings are pending before any state or federal administrative tribunal, agency or court, it being the intention of the parties that a grievant shall have one (1) remedy only.

- 7.34 Withdrawals and Denials. Any grievance or request for advancement to the next grievance level that is not made within the time prescribed, shall be deemed to have been withdrawn and shall automatically terminate any further proceedings. Any grievance that is not answered within the time specified shall be deemed to have been denied and the grievance shall automatically advance to the next grievance level unless withdrawn.
- 7.35 Place of Proceedings. All proceedings shall be held in the School District unless the parties agree otherwise.
- 7.36 Costs. Any fee paid for the services of an arbitrator shall be shared equally by the parties, except as the arbitrator for cause shall otherwise decide. Each party shall be responsible for its own costs, including the cost of witnesses.
- 7.37 Contract Expiration. The provisions of this Article shall be automatically extended beyond the contract expiration date to the extent required to complete the processing of a grievance filed prior to such expiration date.

ARTICLE 9 LEAVES OF ABSENCE

Unnecessary tardiness or absence decreases teaching effectiveness, lowers the quality of the educational program and increases scheduling difficulties and cost. Unexcused absence or tardiness shall constitute grounds for discipline, or, if repeated, discharge.

9.1 Sick Leave. Each employee shall be credited at the beginning of the school year with ten (10) days sick leave with pay. Sick leave shall be administered in accordance with the following guidelines, namely:

A. Sick leave may be used for:

1. Any physical or mental condition that disables an employee from rendering professional services, excluding any condition compensable by Worker's Compensation or resulting from other employment.
2. Any communicable disease that would be hazardous to the health of students or other employees.
3. Serious illness in the employee's immediate family. This leave shall not normally exceed five (5) days per illness except that the Superintendent, or his/her designee, in his/her discretion and for good cause shown, may grant the use of additional days for such purpose.
4. In the case of death of a member of the employee's immediate family, the use of such leave shall normally not exceed ten (10) days per occurrence.

The term "immediate family" shall mean the employee's spouse; the grandparents, grandchildren, parents, siblings and children of the employee and the employee's spouse; and any other person who is a regular member of the employee's household.

5. Physical examinations or required medical treatment, exclusive of non-emergency surgery, which cannot reasonably be scheduled outside of the regular work day.
 6. Non-emergency surgery, including the resultant disability period, which cannot reasonably be scheduled outside of the regular work day or while school is not in session.
- B. Sick leave may accumulate without limits. It shall not be paid in addition to Worker's Compensation benefits. The amount of unused leave shall be certified at least each twelve (12) months.
- C. Verification by competent medical authority may be required.

- D. Upon an employee's retirement, unused sick days shall be purchased at the rate of \$50.00 for all days up to a maximum of 220 days provided that the teacher has at least 30 sick days accumulated at the time of retirement. This employer payment must be deposited into a qualifying 403b account in the employee's name. To be eligible for this payment, an employee must have at least 10 years of service to the Plainwell Community Schools and must satisfy the requirements to obtain benefits under the provisions of the Michigan Public School Employee Retirement System (MPSERS). To be eligible, the employee must submit their intent to retire by March 1. The employer shall not publicly announce the retirement of said employee until March 1st.
- E. Employees who were employed as of September 8, 2009 will be paid a one-time off schedule bonus of \$500 as follows or if employment is severed prior to these dates:
The twenty most senior employees will be paid by October 1, 2017.
The next twenty most senior employees will be paid by October 1, 2018.
The next twenty most senior employees will be paid by October 1, 2019.
The next twenty most senior employees will be paid by October 1, 2020.
The rest of the employees of the group will be paid by October 1, 2021.
- F. If an employee shall not complete the contract period, the Board shall be reimbursed for any days, or fractions of days, used in excess of the proportionate leave days earned as of the termination date. It is understood and agreed that sick days are earned at the rate of one (1) day per month beginning with the first day of September and thereafter on the first day of each month of the school year.
- G. Leave shall be allocated in one-half (½) day increments unless the Board shall otherwise agree, shall be charged against duty days and shall cease to accumulate and shall not be used by an employee during such periods as the employee is on a leave of absence, laid off, or otherwise not regularly providing services to the District.
- H. In the event any district employee or immediate family member as defined in section 9.1, suffers a prolonged illness, disability, or death, which is supported by a statement of need from the attending physician, the Superintendent or designee will invite the donation of personal leave days to be available to the employee who has exhausted all sick leave and personal leave days. Donations to bargaining unit members on maternity leave are allowed during the first six weeks following birth. A bargaining unit member may donate up to two (2) personal leave days during the fiscal year. However, a member may only receive one day from any given member during that fiscal year. In no year shall the total number of donated days exceed one day per employee covered by this Agreement, Unused donated days shall not accumulate. Any days not used shall be returned to the employees contributing such days in a random fashion determined by the District, which determination may not be grieved. No employee receiving compensation by any other means (i.e., Workers Compensation, LTD) shall be eligible. The leave must be taken as an uninterrupted block of time for each such illness or disability with the exception of an intermittent approved FMLA leave for employee with a serious or chronic illness under a physician's care. Absences due to illness or disability will be designated as FMLA leave where permitted by law.

9.2 Personal Leave. An employee shall be allowed two (2) days with pay for personal leave days in accordance with the following guidelines, namely:

- A. A request for personal leave shall be made at the earliest practicable time but in no event on less than twenty-four (24) hours prior written notice except in the case of an emergency. Employees shall be notified of either approval or denial as soon as practicable but in no event later than 12:00 o'clock noon on the day preceding the requested leave period, provided, however, that if no notification is given to the employee, leave shall automatically be granted.
- B. No specific description of the intended use of the leave shall be required on the request form except for a leave requested for an emergency. Personal leave days may accumulate to a maximum of five (5); however, no more than three (3) personal leave days may be taken on consecutive work days. Any personal leave day(s) beyond the five (5) not used by an employee during a given contract year shall be added to such employee's accumulated sick leave.
- C. The Board shall not be required to grant leave on any one day to more than a maximum of ten percent (10%) of a building staff on any given day. If leaves are to be denied because more than 10% of the building staff requested leave on the same day, these denials shall be in inverse order of receipt.
- D. A request for leave may be denied if:
 - 1. The employee has failed to make adequate provision for the discharge of his/her professional responsibilities during his/her absence.
 - 2. The Board is reasonably unable to obtain an adequate substitute for the employee.
 - 3. The number of employees applying is in excess of the number provided.

If a leave is denied, the reasons for the denial shall be given to the employee in writing with copies thereof to be sent to the Superintendent and to the President of the Association.

9.3 Court Leave. An employee shall be entitled to leave for jury service and for court appearances when subpoenaed as a witness in connection with the employee's employment. The employee shall be entitled to receive regular compensation, without deduction of leave days, less any fees paid. The employee shall return to his/her duties whenever his/her attendance in court is not actually required.

9.4 Disability Leaves. An employee who is or will be physically or mentally disabled for more than ten (10) days shall be granted a leave of absence in accordance with the following guidelines:

9.41 Foreseeable Disability. If the employee knows, or reasonably should know, that he/she has a physical or mental condition, which will result in disability the employee shall:

- A. Notify the Board as to the nature and extent of the expected disability in accordance with Section 9.71.
- B. Furnish the Board a statement from the attending physical specifying in the physician's opinion:
 - 1. Any limitations on the performance of duties;
 - 2. The probable date when the employee will be significantly impaired in the performance of his/her duties; and

3. The probable length of time, if any, during which the employee will be disabled from performing his/her work assignments.

C. Furnish the Board such other information as the Board shall determine, including the attending physician's release, to assure the safety and welfare of the employee, students and other employees.

9.42 Unforeseeable Disability. If an employee is disabled by unforeseen circumstances, and the employee desires to be granted a disability leave, the employee shall, as soon as practicable, furnish the Board the information, to the extent applicable, required for a foreseeable disability.

9.43 Duration of Leave. An employee shall be granted a leave of absence for the period of disability except that the Board shall not be required to grant a leave for more than one (1) year. It is understood and agreed that an employee shall normally return to work upon the termination of his/her disability unless other leave provisions in Section 9.5 of this Article are approved.

9.44 Compensation Benefits. An employee who has been granted a disability leave shall have the right to use accumulated sick leave in accordance with the provisions set forth in Section 9.1 above, provided, however, that if the employee is eligible to receive disability insurance benefits pursuant to an employer-paid insurance plan, then fractional sick leave days may be deducted to the extent necessary to equal the employee's daily rate of compensation.

9.5 Other Leaves. The Board may grant a leave of absence without pay upon the request of an employee. This discretionary leave shall be granted for no less than one (1) trimester and no longer than the school year.

The length of the leave shall include any period of a paid leave that occurs prior to the unpaid leave.

The employee shall deliver a written request for a leave of absence to the superintendent no later than May 1 for a leave to begin in the first trimester, October 1 for the second trimester, and February 1 for the third trimester.

The employee shall deliver a written intent to return from a leave of absence to the superintendent no later than October 1 for a leave ending with the first trimester, February 1 for a leave ending with the second trimester, and May 1 for a leave ending with the third trimester.

If the Board does not receive notice of the employee's intent to return within dates set forth in the previous sentence, the employee shall be terminated.

9.6 Family Leave. The provisions of this Article 9 are understood to be subject to the terms of the Family Medical Leave Act of 1993 in accordance with the procedures adopted by the Board consistent with the Act.

9.7 Leave Administration.

9.71 Notice. An employee shall give the Board notice of his/her desire to be granted a leave as soon as the employee is aware of his/her need to be granted a leave so that the Board will have the maximum time to provide for the employee's absence. The minimum notice

time in any event for personal leave, court leave, a foreseeable disability leave, or other leaves shall be at least seven (7) work days prior to the requested leave date unless the request required Board action in which case the request shall be made at least seven (7) calendar days prior to the meeting at which the Board is to consider the request, except that a shorter notice may be permitted in an emergency. The Board representative shall notify the employee of his/her determination within three (3) work days following receipt of the leave request unless the request requires Board action.

- 9.72 Verification. The employee shall have the responsibility of verifying his/her eligibility for leave and any benefits due. If the Board determines that an employee knowingly withheld or misrepresented material information concerning the purpose or the employee's eligibility for leave or for any benefits, the employee may be disciplined, in addition to any other discipline, by the loss of all or any portion of the employee's leave benefits due or to be due under this Agreement.
- 9.73 Seniority will be prorated for all unpaid leave of absences, except those that occur during an employee's Family Medical Leave Act.
