

USD 489 Families,

Student score reports for 2021 State Assessments have been released this week. Students in grades 3-8, 10, and 11th completed state assessments this year, as well as those students who completed the K-12 KELPA as English Learners. A new parent resource for accessing state testing scores electronically is available - the **KITE Parent Portal**.

Parents are able to access the portal by following the directions outlined in the guidebook(s) linked here –

- KITE Parent Portal Guide - [https://ksassessments.org/sites/default/files/documents/Kite/Parent\\_Portal\\_User\\_Guide.pdf](https://ksassessments.org/sites/default/files/documents/Kite/Parent_Portal_User_Guide.pdf)

This information was also emailed to parent/guardian emails provided in PowerSchool.

If you did not receive an email from our district containing this same information, please contact Amy Arnhold, [aarnhold@usd489.com](mailto:aarnhold@usd489.com), so the first/primary contact email on file can be updated. If you do not have a working email, please contact your child's school to request printed score reports.

Thank you for your continued support and partnership.
