

MJHS Drive Thru Graduation Important Guidelines

As we celebrate the accomplishments of our 8th grade graduates from the Memorial class of 2021, graduates who participate in our Mighty Mustangs Drive Thru Commencement Ceremony will be allowed two guests in attendance. We ask that all guests (2 per student graduate) remain on the sidewalk area parallel to the parking lot during the presentation of diplomas (see diagram below). Graduates will be asked to line up on the westside of the walkway for the roll call of graduates (see diagram below). ***Students will need to provide an index card with their name and include the phonetic spelling of their first and last names to assist with proper pronunciation.*** Once students receive their diploma cover, they will be directed to a graduates' area and wait for Dr. Ross to provide the official presentation of graduates (see diagram below). ***Students will then be directed to Door 21 to receive their official diploma.*** A photographer is available onsite to take pictures of graduates during the ceremony. For anyone interested in purchasing this 4 by 6 picture, the cost is \$10. Additional pictures can be purchased from the photographer (Vincent Harlston: v2jeliteproduction.com). Photos can be purchased and received by Door 20 on the eastside of the building after the graduation ceremony. Please note that we will follow safety guidelines and precautions. ***All individuals entering school grounds must adhere to social distancing guidelines by wearing a mask over your mouth and nose, as well as staying six feet apart from each other.***
