How to Register

Signing up for BCBSRI.com is quick and easy. To begin, click on **Register** at the top of the home page, then select **Go** under **Member**.

1. Read the terms and conditions, which explain conditions of use. Then check ***I agree to the terms and conditions*** and click **Continue**.
2. Enter your Member ID number (found on your insurance card), birth date, and ZIP code. Click **Continue**.
3. Choose a user name, password, and security question. Enter your e-mail next and you're almost done!
4. Confirm your registration. Then click on the box next to ***I agree that the information that I have entered is specific to my Blue Cross & Blue Shield of Rhode Island account***, and click **Submit**.

To complete your registration, you'll need to enter an activation code when prompted. This will be sent to the e-mail account you entered when you registered. Until you have entered the activation code, you'll have limited access to your account.
