Rhode Island Interlocal Risk Management Trust

Introducing a free new dental app for our members and retirees

February 2018

Delivering dental savings digitally

RHODE ISLAND INTERLOCAL

RISK MANAGEMENT TRUST

chewsi™
A FIRST CIRCLE SOLUTION

There's nothing like it out there!

## Chewsi™ is NOT insurance or a subscription plan.

- Chewsi™ is a free app designed for both uninsured and insured patients.
    - Its ideal for non-benefit eligible employees or retirees who may have lost their coverage
    - For insureds this is the solution for services not covered such as night guards, teeth whitening, treatment over annual maximums and time limited services like an extra cleaning.

Chewsi™ is growing at a rapid pace and creating a whole new dental marketplace.

- Chewsi is never in the way of the patient/dentist relationship.
    - No insurance company calls
    - No treatment reviews
    - No benefit verification
    - No exclusions
    - No maximums
    - No deductibles
- Patients have access to savings they can't get on their own.
