

# **Maynard High School**

## ***Senior Day***

**June 7th**

### ***Senior Obligations, Graduation Rehearsal, Luncheon, Caps & Gowns, Gift Baskets***

On Monday June 7th there is a busy, productive and fun day in store for our graduating seniors. What follows is a refined and final timeline for events on that day. These are just a bit different than plans laid out earlier this month. Senior Class Advisors Valerie Cairns & Rochelle Lerner continue to work diligently with our Seniors to help ensure a smooth and enjoyable end of the school year and graduation.

**10:30-11:00**

#### **Senior Obligations**

During this time Seniors who owe materials or fees such as books, electronics, band equipment, sports equipment, dues or extra curricular fees make sure that all such obligations are taken care of. Only students who have no obligations will receive their Caps & Gowns later in the day. (Caps & Gowns are released to the Senior as soon as all obligations are accounted for.)

**11:00-12:30**

#### **Graduation Rehearsal**

Under the experienced guidance of Mr. Caloggero our Seniors complete run throughs of graduation day to make sure they are ready for the real event on June 11th. Nothing quite brings home how close they are to being graduates like this rehearsal.

**12:45-1:15**

#### **Lunch**

Our seniors have had an opportunity to preselect some great luncheon options from Panera and will share a lunch as a class one last time in our cafeteria and patio areas. This is a great time to catch up with friends in a relaxed atmosphere.

**1:15-2:00**

#### **Gift Baskets and Caps & Gowns**

As the day comes to a conclusion all of our Seniors will each receive a gift basket generously donated by members of the Maynard Community. At this time they will also receive their school records including medical and academic folders. Finally, all Seniors who have no Senior Obligations outstanding will also receive their Caps & Gowns. (Again, any Senior who has an obligation will receive their Cap & Gown as soon as it is taken care of either later that day or in the following days that week.)

It should be a worthwhile late morning and early afternoon for all as we head toward Graduation on Friday June 11th at 6:30pm at Alumni Field.
