

Dear Parents and Guardians,

The Gallatin County School is excited to announce that we are offering a Summer School for eligible students who are currently enrolled in 2nd-8th grade. This program will run 5 days a week from 8 AM-2:30 PM starting Monday, June 5, 2023, till Friday, June 16, 2023. Transportation may be provided for students living in and around the county's towns/villages (please call the school for questions concerning your child's eligibility for bus transportation.) Each student will be provided breakfast and lunch to eat here at school. Students will be expected to attend the program with a maximum of 2 days of absences as attendance will be necessary to build the skills needed for the next school year. Elementary students will be engaged in areas of most need based on teacher recommendation and skill level. Each Junior High student will be addressing their core subject skills of math, reading/language, science, and social studies each day.

If you are interested in this opportunity, please fill out the form below and have your child return it to the Junior High Office or Elementary Office. Spots are limited so please return the form ASAP. I will be contacting you at a later date when I set the student schedules to let you know more details including an approximate time for bus pick-up/drop-off.

Sincerely,

Jeff Herrmann
Summer School Lead Teacher

Child's Name: _____

Grade: _____

Parent/Guardian's Name: _____

Parent/Guardian's Phone Number: _____ .
