

Good Afternoon,

The North Kingstown School Department will once again be offering Chromebook Insurance to any student who is issued a take-home Chromebook (Grades 4-12). The cost of the insurance is \$25 and it covers accidental damage and theft of the Chromebook. Peripherals such as A/C adapters are not covered by this insurance. In order for a Chromebook to be considered stolen, a police report must be submitted with the claim.

Submitting a claim is a simple process. The student will follow the protocol that has been established by the school they attend if they believe there is an issue with their Chromebook. The school will notify the IT Department and we will complete the repair. If the device is insured, there is no cost to the family.

The insurance will remain in effect for the 2018/2019 school year.

To purchase insurance online and pay with a credit card, please go to myschoolbucks.com and either log in to your account (you can use the same username and password as you do for lunch payments) or register for an account (here is the link to register for an account, <https://www.myschoolbucks.com/ver2/register/getsignup>). If you need assistance with registering for an account please contact myschoolbucks directly by calling 1-855-832-5226.

To purchase Chromebook Insurance with a check, please make the check payable to North Kingstown School Department and include your child's name on the memo line. The check can be placed in an envelope with the words CB Insurance, the school your child attends and their name and dropped off at their school. Another option is to mail the check directly to our office at the following address;

NKSD Information Technology
[120 Fairway Drive](#)
[North Kingstown RI, 02852](#)

If you have any questions please do not hesitate to contact us at 268-6509.

Thank you,
Michael Waterman
Director of Technology
