#### JUNIOR YEAR (5)

1 ELA  
 1 Math  
 1 Science  
 1 Social Studies  
 1 Elective

#### SENIOR YEAR (4)

1 ELA  
 1 Math Related  
 2 Electives

\* The NKHS CCA system is based on Anchor Assignments (Validated Tasks)

\*Every NKHS course offers at least one Anchor Assignment per semester (two for a full-year course)

\*Participation in state assessment in any subject area will take the place of a required CCA for that school year (students would still need to attain minimal level of proficiency on assessment required for graduation)

\*Students will be able to remediate required Anchors after courses are completed for CCA requirement only, not course credit

\*Students must complete at least an ELA and Math or Math related CCA in senior year, plus 2 other CCA (student choice).

\*It is strongly suggested that students keep a cumulative folder (electronic or paper) for Anchor Assignments successfully completed throughout four years
