Hello NKHS Educational Community,

NKHS is currently distance learning until December 11, 2020. We look forward to all students on the hybrid plan returning back into the building on Monday, December 14, 2020. This pause has given us the opportunity to maintain distancing and deep clean our building and classrooms before we resume again. We have analyzed quarter one performance data on our students and we recognize that the pandemic has posed some significant challenges for our students and families. Evidence in the data points to the challenges particularly in the area of attendance and lack of consistent one on one physical interaction between students and teachers. Administration in conjunction with School counselors and support staff are in the process of implementing interventions based on this data analysis to mitigate the learning loss for our students to the best of our abilities with the given resources. We encourage everyone to use flexibility and support for one another as we fight this Pandemic to reduce the losses we all face to a minimum.

[News from the Nurse](#)

The keyword this year is *flexibility*. Thank you for your understanding as we navigate uncharted territory and adapt to the constantly changing circumstances. Even though students are not currently attending school in person, please let me know about medical issues affecting your child including but not limited to: hospitalizations, surgery, Covid status.

While your students are at home:

- Encourage them to go outside to get some fresh air or go for a walk.
- Limit their time watching the news. This can cause stress in many teens. Even our youngest children are sending masks to Santa. They listen even when you don't think they are.

When we return to in-person learning:

- If your child is being tested for Covid 19, please keep them home until you receive the results and report them to the school nurse.
- If your child is ill and has one or more symptoms from the Covid screening form, they should be tested before returning to school.
- CDC has discussed changing the time for **quarantine**. We will inform you when and if RI adopts a new policy.

New Medical Service available. Brown University has just started a telemedicine group for urgent care needs. This is not an endorsement but information to give you an additional option when you may have an urgent health care need. They are available 7 days a week from 12 noon to midnight and staffed by experienced physicians. You may access their website at:

www.brownemtelecare.org.

Stay safe and Healthy,

Linda Twardowski, Certified School Nurse Teacher

[Presidential Scholar Award](#)

Please congratulate *Dean Balcirak, Ailey Costantino, and Caroline Hirsch* for being named the NKHS nominees for the Presidential Scholar Award. A total of up to 10 males and 10 females will be selected from Rhode Island. The 2021 U.S. Presidential Scholars will be selected by the Commission on Presidential Scholars and receive the Presidential Scholars Medallion.

[DAR Good Citizen](#)

Congratulations to *Sophia DeGenova* who has been selected as North Kingstown High School's DAR (Daughters of the American Revolution) Good Citizen. Sophia earned this prestigious award through her consistent demonstration of her dependability, service, leadership, and patriotism. We wish Sophia well as she represents NKHS in the DAR Good Citizens scholarship contest.

[NKHS Teacher Recognition \(Updated Monthly\)](#)

Brendan Lamboy and Matt Lyons on their work with URI, CS and Govt courses.

RIDE and College Board are launching an initiative called [Two Codes](#) to advance key educational goals;

1. Understanding how the U.S Constitution works
2. How Technology can power solutions to problems facing our world

We would like to recognize Mr. Brendan Lamboy and Mr. Matt Lyons at NKHS for collaborating with the University of Rhode Island on their Government and Computer Science initiatives closely aligned to the two codes partnership. Both educators will be attending remote meetings this fall to integrate and create Computer Science applications to work with Governmental needs. An example would be creating an App that calculates exiting polling results during political elections on a state or local level.

[School Improvement Team \(SIT\)](#)

The School Improvement Team has filled the seats for the board, but anyone who wants to attend is welcome. Everyone's feedback is important!

In order to keep the meeting secure from disruptions from online trolls, only those with nksd.net emails, board members, and those who pre-register will be admitted to the meeting. Those who are not on the board or do not have nksd.net emails can register at:

[Leave Your Legacy at North Kingstown High School from PTSO Board](#)

The time you've spent at NKHS has provided experiences and memories that will last a lifetime. Commemorate your years as a Skipper with a brick engraved with your custom message. Your brick will be installed in the Skipper wheel brick walkway and will become part of the NKHS campus forever.

Do you have a coach, teacher, or mentor whom you'd like to thank? Or celebrating a graduate? A commemorative brick in their honor is a special and meaningful way to say thank you and is a gift that will bring joy for years to come.

The NKHS brick program is run by the PTSO. Your purchase will help fund student programs, classroom needs, and improvements to campus. In addition to celebrating your time as a Skipper, your [brick purchase](#) will help pay it forward to younger students

[RTI \(Response to Intervention\) process during Pandemic to mitigate learning loss *](#)

Administration at NKHS took a deep dive into the quarter one performance data on our students. We found a significant correlation between students that are failing that are not physically in front of their teacher and peers interacting and learning on a regular basis. We understand that the realities of the Pandemic has prevented our students from receiving a consistent structured access to school that helps maximize their learning. However, we must still recognize that school is continuing through this Pandemic and the best we can do is put all our efforts and resources into providing students the utmost support we can as educators to mitigate learning loss for our students. Administration has take the following steps to continue to support student learning;

- 1) Administration, School counselors and support staff will schedule meetings with students, families, teachers as needed for students that are presenting significant grade or attendance concerns. The purpose of these meetings will be to identify current barriers to student success, and to work with families on how to provide necessary support that will lead to improvement.
- 2) Ms Finkelstein will continue to process requests for families that may want to switch their student from full distance learning to hybrid model. Please email her if you plan on making the switch (shivali_finkelstein @nksd.net)
- 3) In an effort to increase student engagement, we are asking all students to leave their cameras on during their virtual attendance for the duration of the class unless otherwise authorized by their teacher. Google Meets have added a new feature so students can

blur or add a background to maintain privacy of their home environments. If student cameras are broken on their school issued device, please contact Ms Rowland in the media center for assistance to get it fixed as soon as possible.

If students wish to hide their backgrounds, they may follow the instructions below:

- How to Blur Your Background on Zoom:
<https://nerdschalk.com/how-to-blur-your-background-on-zoom/>
 - Change Your Background in Google Meet:
<https://support.google.com/meet/answer/10058482?co=GENIE.Platform%3DiOS&hl=en>
- 4) This data has also been shared with our instructional leadership team and our teachers for further discussions and reflections on how we can as educators continue to support our students to the best of our abilities.
 - 5) We also encourage our students to advocate for their needs, reach out to their teachers with questions, continue to participate, meet deadlines, assume responsibility for their own learning and use resources that will help them become independent learners.

[PSAT test for all juniors at NKHS January 26, 2021 **](#)

NKHS will host PSAT for juniors on January 26, 2021. Juniors interested in taking the test must;

- 1) Complete [THIS](#) form by December 22, 2020. You must use your NKSD email to access this form.
- 2) Pay \$20 to cover the cost of the test. Please pay in an envelope with a check made out to North Kingstown High School. The check can be dropped off outside the guidance office starting 12/14/2020 until 01/6/2021. You may hand the check to a staff member (Ms Finkelstein or Ms Tetreault) before or after school everyday for the dates given above. Please put student first and last name on the envelope with subject line of PSAT Jan 26, 2021

[Deadline to fill in the online registration form is 12/22/20. Deadline to pay for the test is 1/6/21](#)

If you have any questions, contact Ms Finkelstein via email (shivali_finkelstein@nksd.net)

[Fall Learning Opportunities Directory from RIDE](#)

In an effort to support students and families, RIDE created a “**Fall Learning Opportunities Directory**,” which is an attempt to capture all of the wonderful learning opportunities taking place across the state, compiled into an easily accessible format, and open to **all students** statewide. We hope the following offerings can enhance learning opportunities for students

during these unprecedented times. If you have any questions pertaining to the opportunities below, please contact the organization directly. If your organization has any Fall Learning Opportunities not reflected in this directory, please contact Wendy Wallace at wendy.wallace@ride.ri.gov.

[CTE Program News for Engineering and Robotics](#)

The Academy of Engineering and Robotics offers students two great after school activities: **NORTH Robotics** and the **Technology Student Association (TSA)** as part of the Career and Technical Student Organizations. We are excited to say that both organizations will be offering virtual competitions later in the year. Any student who is interested in becoming a member of either or both organizations is encouraged to contact Mr. Powell at richard_powell@nksd.net. For more information please see a brief description of each organization below.

NORTH Robotics - Students involved in NORTH Robotics compete in the FIRST Tech Challenge competition each year, a competition where students design and build robots to compete against other teams in a competitive game which is different each year. NORTH Robotics is the largest school associated program in the state and has teams win the state competition each of the last two years to qualify for the World Championships. This year we are meeting on Tuesdays and Thursdays afterschool in virtual meetings as we prepare for remote competitions later in the year. You can click on this link to find out more about the FIRST Tech Challenge including information about this year's game.

Technology Student Organization - TSA is a student organization aimed at enhancing leadership and career opportunities in the STEAM field (Science, Technology, Engineering, Art, and Math) by integrating concepts learned in school to extra-curricular competitions and other programs. This year, Rhode Island TSA will be holding Virtual Competitions in categories such as: Computer Aided Design, Engineering and Architectural Design, Coding and Cybersecurity, Photography, and Fashion Design. We will be meeting virtually after school on Wednesdays this year. You can check out this link to find out more about TSA.

[Attendance](#)

If you hear a new voice when you call the attendance office it's because Jenny DeBlois has moved to a new position in the IT department. While we will miss her dearly, we have found an outstanding replacement in Kerry Langlois.

If your child cannot attend school on their in-person day, we need to know. Please call the office and we can make a simple note in Aspen. Attendance office contacts are listed below.

- 401-268-6239
- Kerry_Langlois@nksd.net

We expect your child will attend school on their in-person day. Choosing to attend virtually has a significant impact on the teachers' ability to plan and teach efficiently.

All students who arrive after 7:15 will need to check in late the Student Services Office

[**Chromebook Refresh](#)

New Chromebooks have been issued to 9th and 10th grade students. If your child has yet to receive their new device, we can assist.

- In-person learners can stop into the Student Services Office anytime to get their new device.
 - Please bring your old Chromebook and Charger with you.

-
- Full time distance learners can pick up their device at the IT building, which is behind the NKHS practice fields.

Having issues with a Chromebook during the pause?

[*Teacher Recommendations](#)

Believe it or not, we are beginning the scheduling process for the 2021/2022 school year. Semester one teachers of core courses will be making recommendations for next school year. Semester two teachers will make recommendations in March.

Students will have the opportunity to override a semester one teacher's recommendation. Override forms for semester one recommendations will be due January 15. We advise students to be cautious about overriding a teacher's recommendation. Teachers take into consideration their observations of each student as a learner and the expectations in the next sequential course when making recommendations.

[Grade 10 and 11 Guidance Department Lessons - November 18th and 19th - 1pm](#)

School counselors facilitated virtual lessons to grade 10 and 11 students as part of their ILP (Individualized Learning Plan) last Wednesday and Thursday. Topics that were covered include

Our December Booster meeting will be tomorrow night, Tuesday, December 8th at 7:00pm. The meeting will be a Zoom call - if you would like to attend, please reach out to NKBoosterClub@gmail.com for the link.

Ways to Support Athletics:

1) Join the Booster Club! The easiest way to support the athletics programs is to become a member of the Booster Club. There are 3 levels of membership with special rates this year due to our abbreviated seasons. Follow the link below to purchase your membership! Any blankets purchased with your order will be delivered to your address. Membership cards will be mailed. Parents of senior athletes - memberships purchased by December 31, 2020, allows your senior athlete to apply for a Booster Scholarship in the spring. <https://north-gear.square.site>

2) Follow Boosters on social media for the latest sports information:

Facebook: North Kingstown Athletics Booster Club (NKBoosterClub)

Instagram: nkboosterclub

Twitter: @NKBoosterClub

[@NoKingstownHS](#) (NK Athletics Twitter account)

3) Winter sports registration is open! All athletes (new and returning) must complete a new Assumption of Risk Form (unless you handed one in for a fall sport). Follow the link to register:

<https://northkingstownhs.rschoorteams.com>

4) Send Boosters any pictures from the fall or throwback winter sports as we gear up for the next season - we love to share on social media! Send to: GetsocialNK@gmail.com
