BVMS SUPPLY LIST

This is a list of supplies to start off the school year. However, certain classes may need items for specific projects. Teachers will let the students know when those items are needed. All students are issued a tablet (laptop) to use at school and home.

Please note, backpacks are not allowed in classrooms. If brought to school, they must be kept in their locker. Alternatively, many students carry a zippered three-ring binder which can be taken to class and holds needed supplies, along with their tablet.

Hallway lockers: the school does not provide hallway locks. We do not require students to lock their lockers, but the school cannot be responsible for items (especially valuables) which might be taken from a locker. Additionally, students are responsible for anything found in their locker which should not be at school. "I didn't put that in there" is not an accepted defense. If you have any concerns, please provide a lock. A combination or extra key **MUST** be provided at the front office or the lock may be cut off the locker.
