

BVSD School Breakfast and Lunch FAQ's

Will my children receive free meals for the 2022-23 school year?

No. Due to loss of State funding the District will be unable to provide meals at no cost to all students for the 2022-23 school year. However, those who qualify for reduced meal benefits will receive breakfast and lunch for free.

FREE/REDUCED MEAL BENEFIT APPLICATIONS

All schools in the State have been instructed to return to qualifying households via the Free/Reduced application method. Free/Reduced applications are now available online (through Parent Portal) or a paper application can be picked up at the BVSD Administration Building at 113 N. Court Street, BV or at the main office in any of our schools.

Will the District benefit by me completing an application even though I know I don't qualify?

No. Only those applications that qualify for benefits help the District with additional funding. *If you know your income is well over the qualifying limits there is no need for you to complete an application.*

SNAP

If you are currently on SNAP benefits and they do not expire before the first day of school there is no need to fill out an application. You will be receiving a letter from the District letting you know you are already qualified for free meals so you do not need to fill out an application.
