

Greetings Wellsville Families:

Thank you for your continued support of our students, staff, and school community. We hope you are well, and we are reaching out with some important information and a convenient process that can assist families and our school district. Even though all children will be able to eat free during the 2021-22 school year*, the Household Economic Survey (HES) generates additional funding for our local educational programs.

We encourage all families to consider, review, and complete the HES application. Eligibility determination will be made according to the established state guidelines, and if your family qualifies the district will still receive the funds accordingly. A few additional reasons for this consideration include:

- There are other school district benefits for families that qualify, such as reduced or waived fees on textbooks, early childhood fees and planners.
- If families do not complete the application, State funding for our school district may be reduced.

We have included a copy of the HES application for your convenience and consideration, and please feel free to contact our district's office with any questions using the information below.
