STAFF 2019

My name is Ms. Desiree, I am the Site Coordinator for the Before & After School Program and this is my twelfth year at Sweeney School. During the summers, I work as a Behavior Tutor for summer school at Barrows STEM Academy. In May 2018, I earned my Bachelor of Science degree in General Psychology at Eastern Connecticut State University.

My name is Keila, I have been a Before & After School Program Assistant for five years at Sweeney School. I graduated from Windham High School in 2013. During the day, I work for the daycare at Super Future Fitness. I enjoy helping students with homework as well as creating fun activities for the children and I am bilingual.

My name is Shaniqua, I have been a Program Assistant for the After School Program for five years at Sweeney School. I graduated from Windham High School in 2012. During the summer, I work as a Paraprofessional for summer school at Barrows STEM Academy. I enjoy cooking with the students and creating a wide variety of arts & crafts activities.

My name is Luis, I have been a Program Assistant for the After School Program for seven years. I graduated from Windham Technical High School in 2012. During the day, I work full time at Walmart in North Windham. I enjoy finding new recreation activities as well as science activities and I am bilingual.

My name is Fabiola, I have been an After School Program Assistant for three years at Sweeney School. I graduated from Windham Technical High School in 2015, and then I earned my Associates degree at Quinebaug Valley Community College in 2018. During the day, I am attending Stone Academy in East Hartford for nursing. I enjoy welcoming parents as well as interacting with the children and I am bilingual.
