INSTRUCTIONS TO BIDDERS

We will not accept anything but a firm bid. If you place any restrictions on this bid, it will be deemed not to comply with specifications.

1. Sealed proposals for the furnishing, delivery, and, where called for, the installing, of services, materials, equipment and/or supplies, as required by the Board of Education of the West Hempstead Union Free School District, Town of Hempstead, County of Nassau, State of New York, popularly known as "West Hempstead Public Schools," and as set forth in the following specifications, will be opened in the Conference Room, 252 Chestnut Street, West Hempstead, New York on the day and hour stated in page 1 hereof.
2. The person, firm or corporation making such proposal shall submit it in a sealed envelope to the Assistant Superintendent for Business and Operations, or his duly designated representative at the place herein mentioned on or before the hour and day stated on page 1 hereof. The envelope shall be endorsed on the face thereof with the name of the persons, firm or corporation making such proposal, the date and hour of bid opening and the title of the services, materials, equipment and/or supplies for which such proposal is made.
3. The bidder shall insert the price per stated unit and the extension against each item in the schedule hereto annexed, which the bidder proposes to furnish and deliver. In the event of a discrepancy between the unit price and the extension, the unit price will govern. The price inserted must be net and must **include delivery charges**. Computation must be made of the total amount of the bid for all items bid upon and the total shall be stated at the end of the schedule and on the Bid Form.
4. No charge will be allowed for cases, boxes, carboys, bottles, etc., nor for freight expenses, expressage or cartage. No empty packages, cases, boxes, carboys, bottles, etc. will be returned to bidder or contractor and none will be paid by the Board of Education. Such empty cases, boxes, etc. may be removed by the bidder or contractor at the bidder's own expense.
5. No charge will be allowed for Federal, State or Municipal sales and excise taxes, from which the Board of Education is exempt there from. This bid price shall be net and shall not include the amount of any such tax. Exemption certificates, if required, will be furnished on forms provided by the bidder.
6. When a catalog reference follows the description of an item, such catalog reference is intended as a means of more fully describing the item in the shortest possible space and is to be regarded as part of the description of the item. All items bid on must conform to description and specifications. Where a special make of any article is specified, bidder may bid price on an article equally good, in which case the bidder must state, on the proposal, the maker's name and number, give all other pertinent information, and submit sample of proposed substitute. Failure to change the description as above indicated will be interpreted

to mean that the bidder intends to furnish the particular make of article called for in the specifications, and the Board will insist upon delivery of the specified item. Substitutions will not be permitted after bids have been opened and accepted by the Board. All catalogs to which reference is made shall be available at the office of the Assistant Superintendent for Business and Operations. The use of such catalogs is not intended to limit competition.

7. Each bidder must state that no member of the Board of Education, West Hempstead Union Free School District, Town of Hempstead, nor any officer or employee thereof, is directly or indirectly interested in the proposal.
8. Each bidder must, as part of their bid submission, include samples of at least 3 different calendars that the bidder has previously printed, preferably with printing specs similar to the printing specification contained in this bid.
9. The Board of Education reserves the right to accept this bid by items, by schedule, or as a whole, or, in its discretion, reject all bids and re-advertise in the manner provided by Section 103 of the General Municipal Law.
10. Delivery shall be made to the individual schools as indicated on the schedule and in item 12 below. The items must be placed at a point within the building as directed at the place of delivery. The weight, count, measure, etc. will be determined at the points of delivery. The contractor will be required to furnish proof of delivery in every instance. No help for unloading will be provided by the Board of Education. Suppliers should notify their truckers accordingly. Deliveries shall be made between the hours of 9:00 a.m. and 4:00 p.m. on weekdays, other than Saturdays and Holidays. All materials and supplies must be securely packed in containers, adequately marked as to contents and delivered without damage or breakage in such units as are specified in the schedule.
