

## Dual Credit Partnership Agreement August 1, 2020 – July 31, 2021

## I. Parties

This Dual Credit Partnership Agreement ('	"Agreement") i	is entered into between McLennan
Community College ("MCC") and	Mart	Independent School District ("ISD")
and is designed to allow school students at	<u>Mart</u>	High School ("High School") to
earn dual high school and college credit.		

## II. Purpose and Background

In accordance with the rules and regulations of the Texas Higher Education Coordinating Board (THECB), MCC offers regular college credit courses in Core Curriculum, Foreign Language, and Career and Technology for dual credit high school students. If the ISD approves these college courses for dual credit, high school students meeting MCC admission requirements can enroll in these courses and receive college and high school credit simultaneously.

In order to ensure the quality of dual credit courses and to facilitate communications and understanding between the ISD and MCC, the following provisions are agreed to by MCC and the ISD where dual credit courses are offered.

## III. Statewide Goals for Dual Credit

Pursuant to Texas House Bill 1638 (85<sup>th</sup> Legislature, 2017), MCC and Mart ISD set forth the following goals for dual credit programs in Texas, as prescribed by the Texas Higher Education Coordinating Board (THECB) and the Texas Education Agency (TEA).

- 1. GOAL 1: Create collaborative outreach efforts
  - a. The MCC dual credit program will collaborate with the ISD to provide information sessions for parents, students, and high school counselors addressing the potential benefits, risks, and costs of dual credit.
  - b. MCC will provide online information regarding the dual credit program, including contact information, eligibility requirements, the enrollment process, cost data, and potential benefits/risks of dual credit coursework.
  - c. MCC recruiters will collaborate with the ISD to provide additional assistance to students and families seeking information or assistance with enrolling at the College.
- 2. GOAL 2: Improve transition to and acceleration through postsecondary education
  - a. The MCC dual credit program requires all new dual credit students to complete an online orientation to facilitate the transition to college coursework.
  - b. The dual credit program will collaborate with the ISD to provide face-to-face orientation sessions upon request.
  - c. The program has identified a Transfer Block of courses that transfer well to Texas public colleges to encourage selection of courses that will apply to a four-year degree.

- d. Dual credit students will be encouraged by MCC to enroll only in courses applicable to their selected degree plan.
- 3. GOAL 3: Provide college advising and student support services to promote success
  - a. The MCC dual credit program requires all students selecting courses outside of the Transfer Block or accumulating more than 15 semester credit hours to meet with a college transfer advisor each semester prior to registration.
  - b. All support services at MCC are available to dual credit students. Note that the College provides online and face-to-face tutoring, library instruction, and success coaching to promote student success.
  - c. MCC and the ISD will collaborate to encourage dual credit students to make use of support services available at the College.
- 4. GOAL 4: Ensure quality and rigor of dual credit courses
  - a. MCC is committed to quality and rigor in its dual credit courses. As required by the THECB and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), the quality and rigor of dual credit courses shall be the same as courses taught at the college campus.
  - b. Dual credit faculty, including faculty hired from the ISD, will meet the credentialing standards set by the THECB and SACSCOC.
  - c. Oversight of dual credit faculty and course content will occur according to the same standards and processes employed on the College campus.
- 5. TOOLS: Identify tools to assist students and families with selecting endorsements and dual credit courses as well as navigating the college process.
  - a. The THECB provides the following four tools at this website: http://www.thecb.state.tx.us/plan-pay-complete-college/
    - 1) College for All Texans
    - 2) Exploring College Options
    - 3) Applying for College
    - 4) Paying for College
  - b. The TEA has made the following tools available to the public.
    - 1) Graduation Toolkit: https://tea.texas.gov/sites/default/files/14Grad-toolkit-booklet.pdf
    - 2) CTE Pathways: https://tea.texas.gov/academics/college-career-and-military-prep/career-and-technical-education/approved-cte-programs-study
  - c. The Texas Workforce Commission provides tools to assist with career selection and education planning at https://twc.texas.gov/students.

Metrics associated with the state dual credit goals, such as students' future college enrollment and success, will be tracked by MCC's Office of Institutional Effectiveness.

## V. Student Eligibility

- 1. High school students must meet all eligibility requirements set forth in the THECB Rules. All eligibility requirements set forth herein are subject to the THECB Rules, and, in the event of conflict, the THECB Rules govern and apply.
- 2. To be eligible for enrollment in dual credit courses offered, students must have entered at least the fall semester of grade nine (9).
- 3. Eligibility for High School Pathways courses/programs ends six (6) weeks prior to high school graduation.

A high school student is eligible to enroll in academic dual credit courses if the student:

- a. Demonstrates college readiness by achieving the minimum passing standards under the provisions of the Texas Success Initiative; or
- b. demonstrates that he or she is exempt under the provisions of the Texas Success Initiative (TSI).

A high school student is also eligible to enroll in dual credit courses (academic; workforce courses for AAS or Level 2 certificates) under the following conditions:

- a. Courses that require demonstration of TSI college readiness in reading and/or writing: if the student achieves a Level 2 final recommended score on the English 2 STAAR EOC, an EBRW score of 460 on the PSAT, or an English score of 435 on the ACT-Aspire.

It is expected that high school students taking MCC courses as dual credit will conduct themselves as college students. A collegiate classroom environment is expected. Controversial material may be addressed. The level of maturity of the high school student should be one of the criteria considered by high school officials prior to approving individuals for enrollment.
- 12. Dual credit students with less than a 2.0 grade point average (GPA) in MCC courses after completion of six (6) credit hours will be blocked from taking additional college courses until the students have earned a high school diploma.
- 13. Dual credit students who have three (3) or more withdrawals on their college transcript will be blocked from enrolling in additional college courses until the students have earned a high school diploma.

14. The awarding of high school credit for graduation is at the discretion and approval of the ISD.

## **VI. Student Composition of Class**

1. Dual credit courses will be composed of dual credit students only or of dual and college credit students.

### VII. <u>Instructional Calendar</u>

- 1. Both MCC and the ISD will maintain their own instructional calendars, to begin in August/September and continue through May/June. However, students who are enrolled in dual credit courses at the MCC campus will be expected to attend classes even if the ISD is not in session. Any issues of transportation will need to be addressed and resolved by the student and/or ISD. MCC will not be required to provide transportation.
- 2. Students enrolled in online dual credit courses will be expected to participate regardless of the ISD calendar.
- 3. In situations involving dual credit courses on a high school campus, schedule conflicts between the institutions, including ISD holidays and dates of state-mandated testing, will be resolved on a case-by-case basis, but in all instances the contact time for the College course will be maintained either by an additional course meeting or other solution acceptable to both the College and ISD.

## VIII. Faculty Selection, Supervision and Evaluation

- 1. As required by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC), MCC controls all aspects of its educational programs. Each educational program for which academic credit is awarded is approved by the faculty and the administration. - 2. In order to serve as an instructor of record at MCC, for freshman and sophomore level courses designed for transfer to a baccalaureate degree, faculty should have a minimum of a master's degree with at least 18 graduate hours in the discipline in which they are teaching. In appropriate areas, work experience, professional licensure, and certification are also considered. Degrees and graduate credit hours held by faculty members, whether full time or part-time, must have been earned at a U. S. regionally accredited institution. - 5. MCC shall evaluate instructors of college courses offered for dual credit using the same or comparable procedures used for faculty teaching at the College campus. Faculty teaching courses for dual credit shall comply with MCC's standards of instruction and policies. [TAC 19, Part 1, Chapter 4, Subchapter D, §4.85 (e)(2)] [SACSCOC, Principles of Accreditation, 3.7.2]

- 4. Progress reports will not be an option for dual credit students in online sections and/or in sections in which they are blended with traditional college students. Instead, students may log in to Brightspace to provide the ISD with current grade information from the online course gradebook.

## XVI. Transfer of Courses

McLennan Community College is fully accredited by the SACSCOC, and basic academic, general education courses are readily transferable to other public institutions of higher education in Texas. However, since each college has its own policy regarding the transferability of courses, each student is strongly advised to check with the college he or she plans to attend after high school, other than MCC, in order to determine the transferability of MCC courses.

CTE/Workforce education courses are not designed for transfer beyond the community college level. However, programs exist at some universities that allow these courses to be applied directly to baccalaureate degree requirements. Students are encouraged to check with prospective universities concerning programs such as the BAAS, BAT and other similar programs.

### XVII. Academic Regulations

- 1. An MCC class minimum of twelve (12) students is deemed necessary to make a class. Any exceptions will be approved by the Vice President of Instruction.

After the MCC official drop deadline, dual credit students will follow published MCC policy in regards to withdrawing from courses and the grade recorded for such courses. It is the student's responsibility to officially withdraw from a course or verify that the instructor initiated the withdrawal procedure.

## XVIII. Attendance and Funding

- 1. Students enrolled in college credit courses will follow current MCC attendance policies. Attendance will be taken at MCC based on the published College Attendance Policy.
- 2. The cost of tuition and fees will be based on the current McLennan Community College tuition and fee schedule for dual credit students.

WebAdvisor, the MCC Library, and other software programs approved by MCC for campus-wide use.

- 3. Dual credit students will regularly need access to devices capable of running online exam monitoring programs and devices and/or Internet access unrestricted by the District filter. In addition, some courses may require audio or video recording capability. Such access is vital for academic integrity measures, Internet-based course materials, research, and course projects. Student resources are available on the MCC campus to fulfill such needs should the student choose to implement them.
- 4. The College recommends the ISD assign students enrolled in online dual credit courses to a computer lab with a facilitator for at least one class period per day.

## XX. Data Sharing

Student records transferred between MCC and Mart ISD shall remain the sole property of the institution that created the records. ## XXIV. Accommodations/Disabilities

Dual credit students who may require accommodations in order to have proper access to meet course requirements due to a documented disability should contact MCC Accommodations (Disability Services) as soon as possible. Students will be required to complete the registration form in WebAdvisor, submit documentation for the diagnosed disability, and meet with the Accommodations Coordinator. Faculty and the student will receive an email confirming all accommodations. Faculty may also review accommodations by accessing their roster via WebAdvisor, and students may review their accommodations under the My Accommodations Plan in WebAdvisor. Please note that instructors are not required to provide classroom accommodations to students until appropriate verification from Accommodations (Disability Services) has been provided. Note also that accommodations may differ between the high school and college. For additional information, please visit mclennan.edu/disability.

Students with questions or who require assistance with disabilities involving physical, classroom, or testing accommodations should contact:
