REPORTING BOARD MEETING BUSINESS

The Lake Forest Board of Education directs the Superintendent to institute and maintain effective procedures for the dissemination of meeting agendas to the press and for reporting information about decisions made at Board meetings.

The Superintendent, as the Board's executive officer, will serve as public spokesman for the Board.

While every effort will be made to provide the media with authorized and/or approved information When individual Board members receive requests from the news media for information about official Board business, the members will refer the reporters to the Superintendent or the Board President in accordance with Board Policy.
