4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.

1. Increase communication and marketing of sports to reach more students and families. Expand the notices of available sports each season and the starting dates.
2. Provide all families with a survey to find out what needs their students may have in order for them to participate in sports.
3. Offer families/students assistance with sports gear, transportation, and anything that they may need and can't get in order to participate in sports.
4. Remind students that there isn't an additional fee to participate in sports beyond possessing an ASB card.
5. Remind students that they can receive assistance and/or fee waivers of the ASB card if needed.
6. Provide more information regarding sports physicals and help those that may have trouble getting their student to a provider and/or paying for a sports physical.
