READiTEC

- Helps students to identify what their skills and interests are so that they can choose a career that they will be successful in
- Teaches students about different trades & careers both available locally & nationally
- Teaches students the 21st century skills employers are looking for when hiring
- Helps students to develop intrapersonal and interpersonal communication skills
- Exposes students to different CTE programs offered to 11th and 12th graders at Herkimer BOCES
- If students choose to go on to CTE programs offered they will be prepared with the knowledge and skills to enter the workforce directly after high school or to continue their education
