

THE WRITE SIDE

HEAD OF THE CLASS

Portsmouth West High School's 2021 Valedictorian is Haven Hileman. Haven is the daughter of Ed and Robin Hileman. Throughout her four years at PWHS, she accumulated a perfect 4.0 grade point average! Haven's school involvement over the years included soccer, cheer, cross country, FFA, 4-H, Farm Bureau, National Beta Club, Key Club, Prima, Advanced Choir, Thespian Troupe #5739, OMUN, Quiz Bowl, Student Government, and Pond Run Baptist Church Youth Group.

Haven will attend The Ohio State University this Fall and plans to major in Animal Sciences.

Her awards and scholarships received by the time of this publication were National Beta Speech Division II Champion, National Beta 11th Grade Agriscience Fifth Place, 2021 Ohio 4-H Teen of the Year, Elks Most Valuable Student Scholarship, National Beta Scholarship, George Wood 4-H Scholarship, Yvonne Lesicko Scholarship, Cindy Hollingshead Scholarship, Darwin Bryan Scholarship, Ohio Farm Bureau Foundation Scholarship, Jack Fisher Scholarship, Women's Leadership in Agriculture Scholarship, Scioto County Farm Bureau Scholarship, Christina Marie Lester Niekamp Scholarship, Ohio Agricultural Council Scholarship, and the Ohio HBPA Scholarship.

Haven attributes her success to her parents. She stated, "My parents raised me to

be motivated and to always work hard. They taught me to always do my best at school, and I thank them for always pushing me to work my hardest."

Haven thought a fun fact to share about herself was that she has two pet cows— a three-year-old Ayrshire cow named Mollie Moo Hileman, and a one-year-old Guernsey cow named Molasses Moo Hileman.

Haven's numerous accomplishments and academic career have led her to be one of the most highly decorated students in the school's history and, fittingly, the 2021 Valedictorian of PWHS.

This year's Salutatorian is Caleb Hazelbaker. Caleb is the son of Craig and Meleah Hazelbaker. Caleb accumulated an impressive 3.99 grade point average over the last four years. While in high school, he participated in Soccer, Football, Cross-Country, Swim, Baseball, Beta Club, Key Club, Quiz Bowl, Science Bowl, and OMUN.

Caleb plans to attend Wittenberg University and earn a Bachelors in Biology/Pre-Med.

Caleb was awarded the Presiden-

tial Award, American Citizenship Award, Wittenberg Valedictorian/Salutatorian Scholarship, "Doc" Singleton Sportsman-

ship Award, Scholar-Athlete Award, Mary Smalley Music Scholarship, Collins Family Memorial Scholarship, Portsmouth West Alumni Scholarship, Harry James Memorial Scholarship, Washington-Nile Board of Education Scholarship, Portsmouth West Dugout Club Coach Chris Rapp Scholarship, and the Ron & Nancy Chapman Scholarship.

Caleb stated he attributes his success to his, "parents, teachers, and friends [who] all pushed me to work hard and to achieve where I am today, also my personal traits such as unrelenting perseverance and determination to get things done and great multitasking/time management skills that I have been blessed with from God."

A fun fact that many may not know about Caleb is his car obsession. He stated, "I absolutely love everything cars related, and love to research anything new that occurs within the automotive industry. Before COVID, my father, brother, and I would actually go on yearly trips to the Detroit Auto Show (which was one of the biggest auto shows in the United States) and look at the latest and best vehicles on the market today."
