

Biddeford & Dayton PreK-5 Remote Learning Academy

June 4, 2021

Hello Remote Learning Families!

It's hard to believe that we are wrapping up the 2020-2021 school year. Kudos to all of you, our students and staff for adapting so well to this new learning experience! Active participation is extremely important in achieving success as a virtual learner. Our learners have certainly shown creativity, engagement and resiliency as they learned from their homes each day.

In an effort to accommodate schedules, we are offering various times to drop off your child's device at Grace Point Church. Please be sure to return your device, charger and the case. The address of Grace Point Church is 329 South St., Biddeford. The door to our entrance is to the left of the building in the back.

Drop Off Days/Times:

Thursday, June 10th: 3:00 - 5:30 (Drop off this day IF your child has a second device at home to Zoom with on Friday.)

Friday, June 11th: 12:00 - 3:00 (In the parking lot at Grace Point Church. Staff will be in the parking lot directing traffic.)

Monday, June 14th 9:00 - 3:00 (In the parking lot at Grace Point Church.)

Someone from the district's technology department will contact you if your child's device is not returned. If you have any questions about this device drop-off, please feel free to email mbellavance@biddefordschools.me.

Thanks for your help. We appreciate your continued support!

Sincerely,

Mary Bellavance & Remote Learning Academy Staff
