June is Pride Month

- Pride month is celebrated to commemorate the Stonewall Uprising that occurred at the end of June 1969 after police raided the Stonewall Inn for serving members of the LGBTQ community.
- The purpose of the commemorative month is to recognize the impact that lesbian, gay, bisexual, and transgender individuals have had on history locally, nationally, and internationally.
- This month our 6th grade students are working on projects that highlight the people and contributions of the LGBTQ+ community.
