Article 16 To see what sum the RSU will raise and appropriate in additional local funds (Recommend \$4,507,352.00), which exceeds the State's Essential Programs and Services allocation model by (Recommend \$4,507,352.00), as required to fund the budget recommended by the School Board.

The School Board recommends \$4,507,352.00 for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model by \$4,507,352.00.

The \$4,507,352.00 that exceeds the 100% EPS funding level is needed to continue programs and services presently offered by the RSU which are not covered, or not fully covered, by EPS such as: contingency - \$71,000.00, co-curricular program (athletics, theater, math team, debate, etc.) - \$394,000.00, operations and maintenance - \$1,061,000.00, transportation - \$223,000.00, special education - \$696,000.00, system administration - \$563,000.00, regular education instruction - \$1,499,000.00. The funding from the state (\$4,147,445.00) is 33.40% of the total Essential Programs and Services (EPS) allocation. This allocation covers only a portion of the above noted programs. This article describes the additional funds that RSU #38 needs to raise to achieve the RSU #38 school district budget.

State Mandated Explanation: The additional local funds are those locally raised funds over and above RSU #38's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the RSU 38 budget for educational programs.

Article 17 To see what sum the RSU will authorize the School Board to expend for the fiscal year beginning July 1, 2021 and ending June 30, 2022 from the RSU's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools.
