Military, Athletic & College Recruiters)

Dear Administrator of Interstate 35 Community School District,

I understand that the No Child Left Behind Act of 2001 allows a student or a student's parent/guardian to prevent the release of personal information to military recruiters. In addition, the Interstate 35 Community School District is extending that choice to college and athletic recruiters also. Please read carefully, make the appropriate selections, and return to the high school office.

_____ I request that the above student's name, address, and telephone number not be released to the following recruiters (please circle all that apply):

Military recruiters
Athletic recruiters
College recruiters

Signature of parent/guardian: _____

_____ I am 18 years old and request that my name, address and telephone number not be released to the above circled recruiters.

Signature of student: _____

_____ I further request that the above named student not be removed from an academic class to meet with the following type of recruiter (please circle all that apply):

Military recruiters
Athletic recruiters
College recruiters

Signature of parent/guardian: _____

The No Child Left Behind Act of 2001 (Section 9528) requires that high schools must provide military recruiters access to student names, addresses, and telephone listings. Parents or students may request that this information not be provided without written parental/guardian consent and districts must comply with all requests.

The completion and return of this form serves as your request to withhold release of the student's private information to Military Recruiters. It also allows you to withhold the release of information to other types of recruiters mentioned above.
