

STUDENT PARKING REGISTRATION AGREEMENT

PARKING (Iowa Code 279.8A)

The board may make necessary rules to provide for the policing control, and regulation of traffic and parking of vehicles and bicycles on school grounds. The rules may provide for the use of institutional roads, driveways, and grounds; registration of vehicles and bicycles; the designation of parking areas; the erection and maintenance of signs designating prohibitions or restrictions; the installation and maintenance of parking control devices; **and assessment, enforcement, and collection of reasonable penalties for the violation of the rules.** Rules made under this section may be enforced under procedures adopted by the board. **Penalties may be imposed for violation of the rules, including, but not limited to, a reasonable monetary penalty.**

Driving a car to school is a privilege given to responsible individuals. Students and guardian must complete and sign the vehicle registration form/agreement in the office and return it to receive driving/parking privileges. The parking permit must be displayed on the rearview mirror at all times. Students will not drive, sit in, or operate their vehicles during school hours. Students driving to school must yield the right of way to school buses and crosswalks at all times. Students must drive safely and observe all traffic laws. Driving to school is not an excuse to be tardy. Car failure, flat tires, engine problems, etc. are not excused absences.

A student driving a vehicle to school shall be required to park in designated areas only.

Senior painted spots are the only "reserved" spots in the lot.

Student parking areas are west of the fitness center in the designated parking spots (The triangles are not parking spots and will be clearly marked as "No Parking"). Student parking outside of the designated area will receive a \$20 parking fine. Habitual (3 or more) violations could result in the car being towed and a student being denied parking rights on school grounds. If a student refuses to move an improperly parked vehicle or fails to display their parking permit on the rearview mirror, the vehicle may be towed at the owner's expense. When school is dismissed, do not obstruct the flow of school buses onto the highway.

If an incident results in unsafe driving on school grounds or involves bus safety where a student displays unsafe driving, the student will be addressed and discipline action will be taken if deemed necessary. Students are not to leave school grounds once they arrive without properly checking out of the building.
